CENTRAL HIGH CLOSED, ALL OTHER STX DISTRICT SCHOOLS OPEN NOVEMBER 14

ST. CROIX, USVI – St. Croix Central High School will remain closed on November 14 as investigations continue into the gaseous odor affecting the campus. All other district schools will resume regular schedules, following early dismissal on November 13 due to an island-wide power outage.

The Department of Education is working closely with the Department of Planning and Natural Resources, Department of Health division of Environmental Health, VITEMA and Waste Management to identify the source of the odor that began affecting the Central High School campus on November 12.
