CLAUDE O. MARKOE ELEMENTARY SCHOOL TO RESUME CLASSES MARCH 5

ST. CROIX, USVI – The Claude O. Markoe Elementary School will resume regular operations on Thursday, March 5 following the successful repair of a faulty water pump on the school's campus that had affected the campus's water pressure.

Students were released early on March 3 and the school remained closed on March 4 while repairs were being conducted.

The Department of Education thanks parents, teachers, students and staff for their patience as the issue was being resolved.
