### A MESSAGE FROM THE COMMISSIONER OF EDUCATION

To the Charlotte Amalie High School Class of 2021—you came and you conquered!

On behalf of the Virgin Islands Department of Education, I extend warmest congratulations to you for achieving this very-important milestone in your academic career—your high school graduation.

I cannot express how proud I am of you. Indeed, your talent and tenaciousness have given you the courage to succeed, despite navigating a global pandemic in both your junior and senior years of high school. I must commend you for your steadfastness—for rising to the occasion, being disciplined, learning new technology, following safety protocols, and thriving through it all. We always knew that you could do it.

I must acknowledge the hard work and dedication of your teachers and school administrators, who have guided, nurtured, and helped shape you into the successful young adults you are today. Your parents and families also deserve our deepest appreciation, for without their love and support your achievements would not be possible.

Charlotte Amalie High School Class of 2021, you are well-equipped to engage whatever obstacles you might face in your future. In you lie the spirit of your ancestors who fought for what is right and changed our community, and the world, for the better.

Your high school graduation is only the beginning—go forth confidently into the world and make yourself, your family and all of us proud. The entire Virgin Islands community is rooting for you.

Congratulations!

Sincerely,

Racquel Berry-Benjamin

## Congratulatory Message from the Insular Superintendent

As members of the Charlotte Amalie High School Class of 2021, you represent the spirit and legacy of the Mighty, Mighty Chickenhawk. I wish you success in your careers, quality family interactions, the courage to finish what you have started and the benefits of understanding the serenity prayer. This journey was filled with many challenges, trails and struggles. Suddenly those hindrances fade because obstacles are put in your path so that they can be hurdled, and that you did! This year may not have started or ended the way you envisioned, but it did still start and ended. This timeline speaks to the fact that there are just some things in life that you cannot control but if you set your mind right and hold on to your faith you will be able to handle anything that comes your way in between the start and end. This is indeed a unique period in all of our lives. We had to abandon our simple daily routines, practice social distancing and self-quarantine from the rest of the world. As the St. Thomas/St. John School District's Superintendent of Schools, I am extremely proud that you pushed yourself all the way to the end of this chapter. Walking away with a new set of skills will make you better prepared for a bright future in this ever-changing world.

One important lesson to take with you wherever you go from this time is after facing adversity and dealing with much disappointment, you still persevered. You stayed focused on achieving your goals and in the end, you walked away from the Pandemic of 2021, wiser and stronger. Just as in life, you will meet unprecedented trails and each time you do you will be confronted with a choice. Either you will let it defeat you or you will engage in the right fight to protect your future. You are Strong, you are Powerful, and you are Resilient, Unshakable and Unbreakable! Whenever you face adversity, remember that you do not enter the arena by yourself. Instead, you step in with your spiritual armor, the support of family and friends, and the guidance from the educational village.

With a motto like "Despite the hand we were dealt, we are incomparable to anyone else" – this class has a mantra that can be referred to in order to face every challenge. Again, congratulations to the CAHS Class of 2021 from the Office of the Insular Superintendent and the entire St. Thomas/St. John School District. Go forth with the mandate to "Excel Always"!

Blessings to you in all future endeavors.

## ***Congratulations Class of 2021 on your Graduation!***

Despite the hand you were dealt, you are incorporable to anyone else. Warm and sincere congratulations to you, the Charlotte Amalie High School Class of 2021, from the members of the 34<sup>th</sup> Legislature of the Virgin Islands.

Look at how far you have come, despite the hand you were dealt. You faced two category five hurricanes your freshman year. Your senior year was completed virtually due to the global coronavirus pandemic. The cards you were dealt would have made even the most seasoned card player fold. But you did not fold. You stayed in the game, played the cards dealt and you are truly incomparable with your win. You are here today, against the odds, to receive your high school diploma.

Your life is just beginning. As you start this new game, remember what you have learned. You have a solid educational start, do not let this be the end. Take the hand you are dealt, examine it closely and play your best game. It is only when we demand the best of ourselves that we achieve success. Every hand is not going to be a winning hand, you will have to take a few losses, but you must remain in the game. Only those who sustain can truly be called incomparable.

Graduates, we are here today to honor you and share your success with you. You have proven that when life deals you a less than perfect hand, that you can take that hand and make the best of it by working hard and never quitting. It is your fierce determination that allows us to be here with you today. Retain that determined spirit and always bet on yourself, you are incomparable one of kind.

Congratulations on your Graduation!

## MESSAGE FROM THE CAHS PRINCIPAL

One hundred years ago, the Virgin Islands' first public High School graduated the first sixteen junior high school students, and today in this centennial year 2021, that High School, which became our beloved and distinguished Charlotte Amalie High School, will graduate 222 senior high school students. The journey through these one hundred years has been remarkable when we consider the volumes of achievements and the thousands of alumni whose successes have impacted lives and countries in this region and around the world. Undoubtedly, adopting the motto "To Excel Always" has propelled this Charlotte Amalie High School to build a legacy that we cherish and must celebrate.

As principal of this esteemed institution, and as a CAHS alumna, I am proud and honored to be a part of the legacy of this school and to have the distinct privilege to recognize and celebrate this centennial graduating class, the Class of 2021. This class is a class of overcomers, a class of strong, persevering Hawks that refused to be defeated by the harrowing experiences of the past four years. Two devastating category five hurricanes in 9th grade, half day schooling due to mandatory double sessions in 10th grade, the condemning of school buildings due to structural damage, sudden school closures again due to the COVID-19 pandemic in 11th grade, continuing throughout 12th grade, and the quick adjusting to distance learning with all its challenges were all life changing experiences that could have stopped these students in flight. But like Hawks who soar high, they overcame the obstacles, reached the mark, and are here to receive their diplomas and to celebrate, if even not in the way we had hoped.

Congratulations, Class of 2021. We at CAHS are proud of you. In your lived experiences of natural disasters, calls for social justice and racial equality nationally, pleas to end the senseless violence locally, the sudden shift to fully distanced learning, and even your class protests on graduation, you have learned valuable lessons. You have found the strength and endurance to persevere and you've come to believe in yourselves. Never stop learning. Never stop dreaming. Never give up. Never stop soaring high. Never forget your Alma Mater.

We extend special gratitude to the CAHS administrative team, faculty, staff, parents, alumni, supporters, and the VI community. We could not have succeeded without you. As CAHS is now in a rebuilding phase, we hope we can count on continued support so that CAHS can "Excel Always." GO HAWKS!!!

### **VIRGIN ISLANDS MARCH**

All hail the Virgin Islands. Em'ralds of the sea,  
Where beaches bright with coral sand  
And trade winds bless our native land.

All hail the Virgin Islands, Bathed in waters blue,  
We give our loyalty, Full to thee,  
And pledge allegiance forever true.

God bless our Virgin Islands, Humbly now we pray,  
Where all mankind can join today  
In friendly warmth of work and play.  
God bless our Virgin Islands, Beautiful and tall  
Beneath a sunny sky, Hilltops high  
Hold out a welcome for one and all.

## **CAHS ALMA MATER**

O great and noble high school, how much we owe to thee.  
Our grateful hearts will always live wherever we may be.  
So let us shout with all our might, and let our joyance never cease.  
God grant that teachers, friends, and school may ever have  
His peace.

We'll not forget the lessons, our teachers taught each day.  
We'll make you proud of us, dear school, each pupil in his way.  
We'll strive to keep your standards high and fight with all our might.  
To keep your light forever bright, by doing what is right.

## LIFT EVERY VOICE AND SING

Lift every voice and sing,  
'Til earth and heaven ring,  
Ring with the harmonies of Liberty;  
Let our rejoicing rise.  
High as the list'ning skies;  
Let it resound loud as the rolling sea.  
Sing a song full of the faith that the dark past has taught us,  
Sing a song full of the hope that the present has brought us;  
Facing the rising sun of our new day begun,  
Let us march on till victory is won.

Stony the road we trod,  
Bitter the chast'ning rod,  
Felt in the days when hope unborn had died;  
Yet with a steady beat,  
Have not our weary feet  
Come to the place for which our fathers sighed?  
We have come over a way that with tears has been watered,  
We have come, treading our path thro' the blood of the slaughtered;  
Out from the gloomy past, 'til now we stand at last,  
Where the white gleam of our bright star is cast.

God of our weary years,  
God of our silent tears,  
Thou who has brought us thus far on the way;  
Thou who has by thy might, led us into the light,  
Keep us forever in the path, we pray,  
Lest our feet stray from the places, our God, where we met thee;  
Lest our hearts drunk with the wine of the world we forget thee.  
Shadowed beneath thy hand, may we forever stand;  
True to our God, true to our native land.
