(8) PUBLIC COMMENT.—Each State shall make the State plan publicly available for public comment for a period of not less than 30 days, by electronic means and in an easily accessible format, prior to submission to the Secretary for approval under this subsection. The State, in the plan it files under this subsection, shall provide an assurance that public comments were taken into account in the development of the State plan.

(b) CHALLENGING ACADEMIC STANDARDS AND ACADEMIC ASSESSMENTS.—

(1) CHALLENGING STATE ACADEMIC STANDARDS.—

(i) IN GENERAL.—Each State shall demonstrate that the challenging State academic standards are aligned with entrance requirements for credit-bearing coursework in the system of public higher education in the State and relevant State career and technical education standards.

(ii) RULE OF CONSTRUCTION.—Nothing in this Act shall be construed to authorize public institutions of higher education to determine the specific challenging State academic standards required under this paragraph.

(E) ALTERNATE ACADEMIC ACHIEVEMENT STANDARDS FOR STUDENTS WITH THE MOST SIGNIFICANT COGNITIVE DISABILITIES.—

(i) IN GENERAL.—The State may, through a documented and validated standards-setting process, adopt alternate academic achievement standards for students with the most significant cognitive disabilities, provided those standards—

(I) are aligned with the challenging State academic content standards under subparagraph (A);

(II) promote access to the general education curriculum, consistent with the Individuals with Disabilities Education Act (20 U.S.C. 1400 et seq.);

(III) reflect professional judgment as to the highest possible standards achievable by such students;

(V) are aligned to ensure that a student who meets the alternate academic achievement standards is on track to pursue postsecondary education or employment, consistent with the purposes of Public Law 93–112, as in effect on July 22, 2014.

(ii) PROHIBITION ON ANY OTHER ALTERNATE OR MODIFIED ACADEMIC ACHIEVEMENT STANDARDS.—A State shall not develop, or implement for use under this part, any alternate academic achievement standards for children with disabilities that are not alternate academic achievement standards that meet the requirements of clause (i).

(F) ENGLISH LANGUAGE PROFICIENCY STANDARDS.—Each State plan shall demonstrate that the State has adopted English language proficiency standards that—

(i) are derived from the 4 recognized domains of speaking, listening, reading, and writing;

(H) EXISTING STANDARDS.—Nothing in this part shall prohibit a State from revising, consistent with this section, any standards adopted under this part before or after the date of enactment of the Every Student Succeeds Act.

(2) ACADEMIC ASSESSMENTS.—

(A) IN GENERAL.—Each State plan shall demonstrate that the State educational agency, in consultation with local educational agencies, has implemented a set of high-quality student academic assessments in mathematics, reading or language arts, and science. The State retains the right to implement such assessments in any other subject chosen by the State.

(B) REQUIREMENTS.—The assessments under subparagraph (A) shall—

(i) except as provided in subparagraph (D), be—

(I) the same academic assessments used to measure the achievement of all public elementary school and secondary school students in the State; and

(II) administered to all public elementary school and secondary school students in the State;

(ii) be aligned with the challenging State academic standards, and provide coherent and timely information about student attainment of such standards and whether the student is performing at the student's grade level;

(iii) be used for purposes for which such assessments are valid and reliable, consistent with relevant, nationally recognized professional and technical testing standards, objectively measure academic achievement, knowledge, and skills, and be tests that do not evaluate or assess personal or family beliefs and attitudes, or publicly disclose personally identifiable information;

(iv) be of adequate technical quality for each purpose required under this Act and consistent with the requirements of this section, the evidence of which shall be made public, including on the website of the State educational agency;

(III) in the case of any other subject chosen by the State, be administered at the discretion of the State;

(vi) involve multiple up-to-date measures of student academic achievement, including measures that

assess higher-order thinking skills and understanding, which may include measures of student academic growth and may be partially delivered in the form of portfolios, projects, or extended performance tasks;

(vii) provide for—

(I) the participation in such assessments of all students;

(II) the appropriate accommodations, such as interoperability with, and ability to use, assistive technology, for children with disabilities (as defined in section 602(3) of the Individuals with Disabilities Education Act (20 U.S.C. 1401(3))), including students with the most significant cognitive disabilities, and students with a disability who are provided accommodations under an Act other than the Individuals with Disabilities Education Act (20 U.S.C. 1400 et seq.), necessary to measure the academic achievement of such children relative to the challenging State academic standards or alternate academic achievement standards described in paragraph (1)(E); and

(III) the inclusion of English learners, who shall be assessed in a valid and reliable manner and provided appropriate accommodations on assessments administered to such students under this paragraph, including, to the extent practicable, assessments in the language and form most likely to yield accurate data on what such students know and can do in academic content areas, until such students have achieved English language proficiency, as determined under subparagraph (G);

(viii) at the State's discretion—

(I) be administered through a single summative assessment; or

(II) be administered through multiple statewide interim assessments during the course of the academic year that result in a single summative score that provides valid, reliable, and transparent information on student achievement or growth;

(ix) notwithstanding clause (vii)(III), provide for assessments (using tests in English) of reading or language arts of any student who has attended school in the United States (not including the Commonwealth of Puerto Rico) for 3 or more consecutive school years, except that if the local educational agency determines, on a case-by-case individual basis, that academic assessments in another language or form would likely yield more accurate and reliable information on what such student knows and can do, the local educational agency may make a determination to assess such student in the appropriate language other than English for a period that does not exceed 2 additional consecu-

tive years, provided that such student has not yet reached a level of English language proficiency sufficient to yield valid and reliable information on what such student knows and can do on tests (written in English) of reading or language arts;

(x) produce individual student interpretive, descriptive, and diagnostic reports, consistent with clause (iii), regarding achievement on such assessments that allow parents, teachers, principals, and other school leaders to understand and address the specific academic needs of students, and that are provided to parents, teachers, and school leaders, as soon as is practicable after the assessment is given, in an understandable and uniform format, and to the extent practicable, in a language that parents can understand;

(xi) enable results to be disaggregated within each State, local educational agency, and school by—

(I) each major racial and ethnic group;

(II) economically disadvantaged students as compared to students who are not economically disadvantaged;

(III) children with disabilities as compared to children without disabilities;

(IV) English proficiency status;

(V) gender; and

(VI) migrant status,

except that such disaggregation shall not be required in the case of a State, local educational agency, or a school in which the number of students in a subgroup is insufficient to yield statistically reliable information or the results would reveal personally identifiable information about an individual student;

(xii) enable itemized score analyses to be produced and reported, consistent with clause (iii), to local educational agencies and schools, so that parents, teachers, principals, other school leaders, and administrators can interpret and address the specific academic needs of students as indicated by the students' achievement on assessment items; and

(xiii) be developed, to the extent practicable, using the principles of universal design for learning.

(C) EXCEPTION FOR ADVANCED MATHEMATICS IN MIDDLE SCHOOL.—A State may exempt any 8th grade student from the assessment in mathematics described in subparagraph (B)(v)(I)(aa) if—

(i) such student takes the end-of-course assessment the State typically administers to meet the requirements of subparagraph (B)(v)(I)(bb) in mathematics;

(ii) such student's achievement on such end-of-course assessment is used for purposes of subsection (c)(4)(B)(i), in lieu of such student's achievement on the mathematics assessment required under subpara-

graph (B)(v)(I)(aa), and such student is counted as participating in the assessment for purposes of subsection (c)(4)(B)(vi); and

(iii) in high school, such student takes a mathematics assessment pursuant to subparagraph (B)(v)(I)(bb) that—

(I) is any end-of-course assessment or other assessment that is more advanced than the assessment taken by such student under clause (i) of this subparagraph; and

(II) shall be used to measure such student's academic achievement for purposes of subsection (c)(4)(B)(i).

(D) ALTERNATE ASSESSMENTS FOR STUDENTS WITH THE MOST SIGNIFICANT COGNITIVE DISABILITIES.—

(i) ALTERNATE ASSESSMENTS ALIGNED WITH ALTERNATE ACADEMIC ACHIEVEMENT STANDARDS.—A State may provide for alternate assessments aligned with the challenging State academic standards and alternate academic achievement standards described in paragraph (1)(E) for students with the most significant cognitive disabilities, if the State—

(I) consistent with clause (ii), ensures that, for each subject, the total number of students assessed in such subject using the alternate assessments does not exceed 1 percent of the total number of all students in the State who are assessed in such subject;

(II) ensures that the parents of such students are clearly informed, as part of the process for developing the individualized education program (as defined in section 614(d)(1)(A) of the Individuals with Disabilities Education Act (20 U.S.C. 1414(d)(1)(A)))—

(aa) that their child's academic achievement will be measured based on such alternate standards; and

(bb) how participation in such assessments may delay or otherwise affect the student from completing the requirements for a regular high school diploma;

(III) promotes, consistent with the Individuals with Disabilities Education Act (20 U.S.C. 1400 et seq.), the involvement and progress of students with the most significant cognitive disabilities in the general education curriculum;

(IV) describes in the State plan the steps the State has taken to incorporate universal design for learning, to the extent feasible, in alternate assessments;

(V) describes in the State plan that general and special education teachers, and other appropriate staff—

(aa) know how to administer the alternate assessments; and

(bb) make appropriate use of accommodations for students with disabilities on all assessments required under this paragraph;

(VI) develops, disseminates information on, and promotes the use of appropriate accommodations to increase the number of students with significant cognitive disabilities—

(aa) participating in academic instruction and assessments for the grade level in which the student is enrolled; and

(bb) who are tested based on challenging State academic standards for the grade level in which the student is enrolled; and

(VII) does not preclude a student with the most significant cognitive disabilities who takes an alternate assessment based on alternate academic achievement standards from attempting to complete the requirements for a regular high school diploma.

(ii) SPECIAL RULES.—

(I) RESPONSIBILITY UNDER IDEA.—Subject to the authority and requirements for the individualized education program team for a child with a disability under section 614(d)(1)(A)(i)(VI)(bb) of the Individuals with Disabilities Education Act (20 U.S.C. 1414(d)(1)(A)(i)(VI)(bb)), such team, consistent with the guidelines established by the State and required under section 612(a)(16)(C) of such Act (20 U.S.C. 1412(c)(16)(C)) and clause (i)(II) of this subparagraph, shall determine when a child with a significant cognitive disability shall participate in an alternate assessment aligned with the alternate academic achievement standards.

(II) PROHIBITION ON LOCAL CAP.—Nothing in this subparagraph shall be construed to permit the Secretary or a State educational agency to impose on any local educational agency a cap on the percentage of students administered an alternate assessment under this subparagraph, except that a local educational agency exceeding the cap applied to the State under clause (i)(I) shall submit information to the State educational agency justifying the need to exceed such cap.

(III) STATE SUPPORT.—A State shall provide appropriate oversight, as determined by the State, of any local educational agency that is required to submit information to the State under subclause (II).

(IV) WAIVER AUTHORITY.—This subparagraph shall be subject to the waiver authority under section 8401.

(E) STATE AUTHORITY.—If a State educational agency provides evidence, which is satisfactory to the Secretary, that neither the State educational agency nor any other State government official, agency, or entity has sufficient authority, under State law, to adopt challenging State academic standards, and academic assessments aligned with such standards, which will be applicable to all students enrolled in the State's public elementary schools and secondary schools, then the State educational agency may meet the requirements of this subsection by—

(i) adopting academic standards and academic assessments that meet the requirements of this subsection, on a statewide basis, and limiting their applicability to students served under this part; or

(ii) adopting and implementing policies that ensure that each local educational agency in the State that receives grants under this part will adopt academic content and student academic achievement standards, and academic assessments aligned with such standards, which—

(I) meet all of the criteria in this subsection and any regulations regarding such standards and assessments that the Secretary may publish; and

(II) are applicable to all students served by each such local educational agency.

(F) LANGUAGE ASSESSMENTS.—

(i) IN GENERAL.—Each State plan shall identify the languages other than English that are present to a significant extent in the participating student population of the State and indicate the languages for which annual student academic assessments are not available and are needed.

(ii) SECRETARIAL ASSISTANCE.—The State shall make every effort to develop such assessments and may request assistance from the Secretary if linguistically accessible academic assessment measures are needed. Upon request, the Secretary shall assist with the identification of appropriate academic assessment measures in the needed languages, but shall not mandate a specific academic assessment or mode of instruction.

(G) ASSESSMENTS OF ENGLISH LANGUAGE PROFICIENCY.—

(i) IN GENERAL.—Each State plan shall demonstrate that local educational agencies in the State will provide for an annual assessment of English proficiency of all English learners in the schools served by the State educational agency.

(ii) ALIGNMENT.—The assessments described in clause (i) shall be aligned with the State's English language proficiency standards described in paragraph (1)(F).

(H) LOCALLY-SELECTED ASSESSMENT.—

(i) IN GENERAL.—Nothing in this paragraph shall be construed to prohibit a local educational agency from administering a locally-selected assessment in lieu of the State-designed academic assessment under subclause (I)(bb) and subclause (II)(cc) of subparagraph (B)(v), if the local educational agency selects a nationally-recognized high school academic assessment that has been approved for use by the State as described in clause (iii) or (iv) of this subparagraph.

(ii) STATE TECHNICAL CRITERIA.—To allow for State approval of nationally-recognized high school academic assessments that are available for local selection under clause (i), a State educational agency shall establish technical criteria to determine if any such assessment meets the requirements of clause (v).

(iii) STATE APPROVAL.—If a State educational agency chooses to make a nationally-recognized high school assessment available for selection by a local educational agency under clause (i), which has not already been approved under this clause, such State educational agency shall—

(I) conduct a review of the assessment to determine if such assessment meets or exceeds the technical criteria established by the State educational agency under clause (ii);

(II) submit evidence in accordance with subsection (a)(4) that demonstrates such assessment meets the requirements of clause (v); and

(III) after fulfilling the requirements of subclauses (I) and (II), approve such assessment for selection and use by any local educational agency that requests to use such assessment under clause (i).

(iv) LOCAL EDUCATIONAL AGENCY OPTION.—

(I) LOCAL EDUCATIONAL AGENCY.—If a local educational agency chooses to submit a nationally-recognized high school academic assessment to the State educational agency, subject to the approval process described in subclause (I) and subclause (II) of clause (iii) to determine if such assessment fulfills the requirements of clause (v), the State educational agency may approve the use of such assessment consistent with clause (i).

(II) STATE EDUCATIONAL AGENCY.—Upon such approval, the State educational agency shall approve the use of such assessment in any other local educational agency in the State that subsequently requests to use such assessment without repeating the process described in subclauses (I) and (II) of clause (iii).

(v) REQUIREMENTS.—To receive approval from the State educational agency under clause (iii), a locally-selected assessment shall—

(I) be aligned to the State's academic content standards under paragraph (1), address the depth and breadth of such standards, and be equivalent in its content coverage, difficulty, and quality to the State-designed assessments under this paragraph (and may be more rigorous in its content coverage and difficulty than such State-designed assessments);

(II) provide comparable, valid, and reliable data on academic achievement, as compared to the State-designed assessments, for all students and for each subgroup of students defined in subsection (c)(2), with results expressed in terms consistent with the State's academic achievement standards under paragraph (1), among all local educational agencies within the State;

(III) meet the requirements for the assessments under subparagraph (B) of this paragraph, including technical criteria, except the requirement under clause (i) of such subparagraph; and

(IV) provide unbiased, rational, and consistent differentiation between schools within the State to meet the requirements of subsection (c).

(vi) PARENTAL NOTIFICATION.—A local educational agency shall notify the parents of high school students served by the local educational agency—

(I) of its request to the State educational agency for approval to administer a locally-selected assessment; and

(II) upon approval, and at the beginning of each subsequent school year during which the locally selected assessment will be administered, that the local educational agency will be administering a different assessment than the State-designed assessments under subclause (I)(bb) and subclause (II)(cc) of subparagraph (B)(v).

(I) DEFERRAL.—A State may defer the commencement, or suspend the administration, but not cease the development, of the assessments described in this paragraph, for 1 year for each year for which the amount appropriated for grants under part B is less than \$369,100,000.

(J) ADAPTIVE ASSESSMENTS.—

(i) IN GENERAL.—Subject to clause (ii), a State retains the right to develop and administer computer adaptive assessments as the assessments described in this paragraph, provided the computer adaptive assessments meet the requirements of this paragraph, except that—

(I) subparagraph (B)(i) shall not be interpreted to require that all students taking the computer adaptive assessment be administered the same assessment items; and

(II) such assessment—

(aa) shall measure, at a minimum, each student's academic proficiency based on the challenging State academic standards for the student's grade level and growth toward such standards; and

(bb) may measure the student's level of academic proficiency and growth using items above or below the student's grade level, including for use as part of a State's accountability system under subsection (c).

(ii) STUDENTS WITH THE MOST SIGNIFICANT COGNITIVE DISABILITIES AND ENGLISH LEARNERS.—In developing and administering computer adaptive assessments—

(I) as the assessments allowed under subparagraph (D), a State shall ensure that such computer adaptive assessments—

(aa) meet the requirements of this paragraph, including subparagraph (D), except such assessments shall not be required to meet the requirements of clause (i)(II); and

(bb) assess the student's academic achievement to measure, in the subject being assessed, whether the student is performing at the student's grade level; and

(II) as the assessments required under subparagraph (G), a State shall ensure that such computer adaptive assessments—

(aa) meet the requirements of this paragraph, including subparagraph (G), except such assessment shall not be required to meet the requirements of clause (i)(II); and

(bb) assess the student's language proficiency, which may include growth towards such proficiency, in order to measure the student's acquisition of English.

(K) RULE OF CONSTRUCTION ON PARENT RIGHTS.—Nothing in this paragraph shall be construed as preempting a State or local law regarding the decision of a parent to not have the parent's child participate in the academic assessments under this paragraph.

(L) LIMITATION ON ASSESSMENT TIME.—Subject to Federal or State requirements related to assessments, evaluations, and accommodations, each State may, at the sole discretion of such State, set a target limit on the aggregate amount of time devoted to the administration of assessments for each grade, expressed as a percentage of annual instructional hours.

(3) EXCEPTION FOR RECENTLY ARRIVED ENGLISH LEARNERS.—

(A) ASSESSMENTS.—With respect to recently arrived English learners who have been enrolled in a school in one of the 50 States in the United States or the District of Columbia for less than 12 months, a State may choose to—

(i) exclude—

(I) such an English learner from one administration of the reading or language arts assessment required under paragraph (2); and

(II) such an English learner's results on any of the assessments required under paragraph (2)(B)(v)(I) or (2)(G) for the first year of the English learner's enrollment in such a school for the purposes of the State-determined accountability system under subsection (c); or

(ii)(I) assess, and report the performance of, such an English learner on the reading or language arts and mathematics assessments required under paragraph (2)(B)(v)(I) in each year of the student's enrollment in such a school; and

(II) for the purposes of the State-determined accountability system—

(aa) for the first year of the student's enrollment in such a school, exclude the results on the assessments described in subclause (I);

(bb) include a measure of student growth on the assessments described in subclause (I) in the second year of the student's enrollment in such a school; and

(cc) include proficiency on the assessments described in subclause (I) in the third year of the student's enrollment in such a school, and each succeeding year of such enrollment.

(B) ENGLISH LEARNER SUBGROUP.—With respect to a student previously identified as an English learner and for not more than 4 years after the student ceases to be identified as an English learner, a State may include the results of the student's assessments under paragraph (2)(B)(v)(I) within the English learner subgroup of the subgroups of students (as defined in subsection (c)(2)(D)) for the purposes of the State-determined accountability system.

(c) STATEWIDE ACCOUNTABILITY SYSTEM.—

(1) IN GENERAL.—Each State plan shall describe a statewide accountability system that complies with the requirements of this subsection and subsection (d).

(2) SUBGROUP OF STUDENTS.—In this subsection and subsection (d), the term “subgroup of students” means—

- (A) economically disadvantaged students;
- (B) students from major racial and ethnic groups;
- (C) children with disabilities; and
- (D) English learners.

(3) MINIMUM NUMBER OF STUDENTS.—Each State shall describe—

(A) with respect to any provisions under this part that require disaggregation of information by each subgroup of students—

(i) the minimum number of students that the State determines are necessary to be included to carry

out such requirements and how that number is statistically sound, which shall be the same State-determined number for all students and for each subgroup of students in the State;

(ii) how such minimum number of students was determined by the State, including how the State collaborated with teachers, principals, other school leaders, parents, and other stakeholders when determining such minimum number; and

(iii) how the State ensures that such minimum number is sufficient to not reveal any personally identifiable information.

(4) DESCRIPTION OF SYSTEM.—The statewide accountability system described in paragraph (1) shall be based on the challenging State academic standards for reading or language arts and mathematics described in subsection (b)(1) to improve student academic achievement and school success. In designing such system to meet the requirements of this part, the State shall carry out the following:

(A) ESTABLISHMENT OF LONG-TERM GOALS.—Establish ambitious State-designed long-term goals, which shall include measurements of interim progress toward meeting such goals—

(i) for all students and separately for each subgroup of students in the State—

(I) for, at a minimum, improved—

(aa) academic achievement, as measured by proficiency on the annual assessments required under subsection (b)(2)(B)(v)(I); and

(bb) high school graduation rates, including—

(AA) the four-year adjusted cohort graduation rate; and

(BB) at the State's discretion, the extended-year adjusted cohort graduation rate, except that the State shall set a more rigorous long-term goal for such graduation rate, as compared to the long-term goal set for the four-year adjusted cohort graduation rate;

(II) for which the term set by the State for such goals is the same multi-year length of time for all students and for each subgroup of students in the State; and

(III) that, for subgroups of students who are behind on the measures described in items (aa) and (bb) of subclause (I), take into account the improvement necessary on such measures to make significant progress in closing statewide proficiency and graduation rate gaps; and

(ii) for English learners, for increases in the percentage of such students making progress in achieving English language proficiency, as defined by the State

and measured by the assessments described in subsection (b)(2)(G), within a State-determined timeline.

(B) INDICATORS.—Except for the indicator described in clause (iv), annually measure, for all students and separately for each subgroup of students, the following indicators:

(i) For all public schools in the State, based on the long-term goals established under subparagraph (A), academic achievement—

(I) as measured by proficiency on the annual assessments required under subsection (b)(2)(B)(v)(I); and

(II) at the State's discretion, for each public high school in the State, student growth, as measured by such annual assessments.

(ii) For public elementary schools and secondary schools that are not high schools in the State—

(I) a measure of student growth, if determined appropriate by the State; or

(II) another valid and reliable statewide academic indicator that allows for meaningful differentiation in school performance.

(iii) For public high schools in the State, and based on State-designed long term goals established under subparagraph (A)—

(I) the four-year adjusted cohort graduation rate; and

(II) at the State's discretion, the extended-year adjusted cohort graduation rate.

(iv) For public schools in the State, progress in achieving English language proficiency, as defined by the State and measured by the assessments described in subsection (b)(2)(G), within a State-determined timeline for all English learners—

(I) in each of the grades 3 through 8; and

(II) in the grade for which such English learners are otherwise assessed under subsection (b)(2)(B)(v)(I) during the grade 9 through grade 12 period, with such progress being measured against the results of the assessments described in subsection (b)(2)(G) taken in the previous grade.

(v)(I) For all public schools in the State, not less than one indicator of school quality or student success that—

(aa) allows for meaningful differentiation in school performance;

(bb) is valid, reliable, comparable, and statewide (with the same indicator or indicators used for each grade span, as such term is determined by the State); and

(cc) may include one or more of the measures described in subclause (II).

(II) For purposes of subclause (I), the State may include measures of—

- (III) student engagement;
- (IV) educator engagement;
- (V) student access to and completion of advanced coursework;
- (VI) postsecondary readiness;
- (VII) school climate and safety; and
- (VIII) any other indicator the State chooses that meets the requirements of this clause.

(C) ANNUAL MEANINGFUL DIFFERENTIATION.—Establish a system of meaningfully differentiating, on an annual basis, all public schools in the State, which shall—

(i) be based on all indicators in the State's accountability system under subparagraph (B), for all students and for each of subgroup of students, consistent with the requirements of such subparagraph;

(ii) with respect to the indicators described in clauses (i) through (iv) of subparagraph (B) afford—

(I) substantial weight to each such indicator; and

(II) in the aggregate, much greater weight than is afforded to the indicator or indicators utilized by the State and described in subparagraph (B)(v), in the aggregate; and

(iii) include differentiation of any such school in which any subgroup of students is consistently underperforming, as determined by the State, based on all indicators under subparagraph (B) and the system established under this subparagraph.

(D) IDENTIFICATION OF SCHOOLS.—Based on the system of meaningful differentiation described in subparagraph (C), establish a State-determined methodology to identify—

(i) beginning with school year 2017–2018, and at least once every three school years thereafter, one statewide category of schools for comprehensive support and improvement, as described in subsection (d)(1), which shall include—

(I) not less than the lowest-performing 5 percent of all schools receiving funds under this part in the State;

(II) all public high schools in the State failing to graduate one third or more of their students; and

(III) public schools in the State described under subsection (d)(3)(A)(i)(II); and

(ii) at the discretion of the State, additional statewide categories of schools.

(E) ANNUAL MEASUREMENT OF ACHIEVEMENT.—(i) Annually measure the achievement of not less than 95 percent of all students, and 95 percent of all students in each subgroup of students, who are enrolled in public schools on the assessments described under subsection (b)(2)(v)(I).

- (ii) For the purpose of measuring, calculating, and reporting on the indicator described in subparagraph (B)(i), include in the denominator the greater of—
- (I) 95 percent of all such students, or 95 percent of all such students in the subgroup, as the case may be; or
  - (II) the number of students participating in the assessments.
- (iii) Provide a clear and understandable explanation of how the State will factor the requirement of clause (i) of this subparagraph into the statewide accountability system.
- (F) PARTIAL ATTENDANCE.—(i) In the case of a student who has not attended the same school within a local educational agency for at least half of a school year, the performance of such student on the indicators described in clauses (i), (ii), (iv), and (v) of subparagraph (B)—
- (I) may not be used in the system of meaningful differentiation of all public schools as described in subparagraph (C) for such school year; and
  - (II) shall be used for the purpose of reporting on the State and local educational agency report cards under subsection (h) for such school year.
- (ii) In the case of a high school student who has not attended the same school within a local educational agency for at least half of a school year and has exited high school without a regular high school diploma and without transferring to another high school that grants a regular high school diploma during such school year, the local educational agency shall, in order to calculate the graduation rate pursuant to subparagraph (B)(iii), assign such student to the high school—
- (I) at which such student was enrolled for the greatest proportion of school days while enrolled in grades 9 through 12; or
  - (II) in which the student was most recently enrolled.
- (5) ACCOUNTABILITY FOR CHARTER SCHOOLS.—The accountability provisions under this Act shall be overseen for charter schools in accordance with State charter school law.
- (d) SCHOOL SUPPORT AND IMPROVEMENT ACTIVITIES.—
- (1) COMPREHENSIVE SUPPORT AND IMPROVEMENT.—
    - (A) IN GENERAL.—Each State educational agency receiving funds under this part shall notify each local educational agency in the State of any school served by the local educational agency that is identified for comprehensive support and improvement under subsection (c)(4)(D)(i).
    - (B) LOCAL EDUCATIONAL AGENCY ACTION.—Upon receiving such information from the State, the local educational agency shall, for each school identified by the State and in partnership with stakeholders (including principals and other school leaders, teachers, and parents), locally develop and implement a comprehensive support

and improvement plan for the school to improve student outcomes, that—

(i) is informed by all indicators described in subsection (c)(4)(B), including student performance against State-determined long-term goals;

(ii) includes evidence-based interventions;

(iii) is based on a school-level needs assessment;

(iv) identifies resource inequities, which may include a review of local educational agency and school-level budgeting, to be addressed through implementation of such comprehensive support and improvement plan;

(v) is approved by the school, local educational agency, and State educational agency; and

(vi) upon approval and implementation, is monitored and periodically reviewed by the State educational agency.

(C) STATE EDUCATIONAL AGENCY DISCRETION.—With respect to any high school in the State identified under subsection (c)(4)(D)(i)(II), the State educational agency may—

(i) permit differentiated improvement activities that utilize evidence-based interventions in the case of such a school that predominantly serves students—

(I) returning to education after having exited secondary school without a regular high school diploma; or

(II) who, based on their grade or age, are significantly off track to accumulate sufficient academic credits to meet high school graduation requirements, as established by the State; and

(ii) in the case of such a school that has a total enrollment of less than 100 students, permit the local educational agency to forego implementation of improvement activities required under this paragraph.

(D) PUBLIC SCHOOL CHOICE.—

(i) IN GENERAL.—A local educational agency may provide all students enrolled in a school identified by the State for comprehensive support and improvement under subsection (c)(4)(D)(i) with the option to transfer to another public school served by the local educational agency, unless such an option is prohibited by State law.

(ii) PRIORITY.—In providing students the option to transfer to another public school, the local educational agency shall give priority to the lowest-achieving children from low-income families, as determined by the local educational agency for the purposes of allocating funds to schools under section 1113(a)(3).

(iii) TREATMENT.—A student who uses the option to transfer to another public school shall be enrolled in classes and other activities in the public school to which the student transfers in the same manner as all other students at the public school.

(iv) SPECIAL RULE.—A local educational agency shall permit a student who transfers to another public school under this paragraph to remain in that school until the student has completed the highest grade in that school.

(v) FUNDING FOR TRANSPORTATION.—A local educational agency may spend an amount equal to not more than 5 percent of its allocation under subpart 2 of this part to pay for the provision of transportation for students who transfer under this paragraph to the public schools to which the students transfer.

(2) TARGETED SUPPORT AND IMPROVEMENT.—

(A) IN GENERAL.—Each State educational agency receiving funds under this part shall, using the meaningful differentiation of schools described in subsection (c)(4)(C)—

(i) notify each local educational agency in the State of any school served by the local educational agency in which any subgroup of students is consistently underperforming, as described in subsection (c)(4)(C)(iii); and

(ii) ensure such local educational agency provides notification to such school with respect to which subgroup or subgroups of students in such school are consistently underperforming as described in subsection (c)(4)(C)(iii).

(B) TARGETED SUPPORT AND IMPROVEMENT PLAN.—Each school receiving a notification described in this paragraph, in partnership with stakeholders (including principals and other school leaders, teachers and parents), shall develop and implement a school-level targeted support and improvement plan to improve student outcomes based on the indicators in the statewide accountability system established under subsection (c)(4), for each subgroup of students that was the subject of notification that—

(i) is informed by all indicators described in subsection (c)(4)(B), including student performance against long-term goals;

(ii) includes evidence-based interventions;

(iii) is approved by the local educational agency prior to implementation of such plan;

(iv) is monitored, upon submission and implementation, by the local educational agency; and

(v) results in additional action following unsuccessful implementation of such plan after a number of years determined by the local educational agency.

(C) ADDITIONAL TARGETED SUPPORT.—A plan described in subparagraph (B) that is developed and implemented in any school receiving a notification under this paragraph from the local educational agency in which any subgroup of students, on its own, would lead to identification under subsection (c)(4)(D)(i)(I) using the State's methodology under subsection (c)(4)(D) shall also identify resource inequities (which may include a review of local educational

agency and school level budgeting), to be addressed through implementation of such plan.

(D) SPECIAL RULE.—The State educational agency, based on the State's differentiation of schools under subsection (c)(4)(C) for school year 2017–2018, shall notify local educational agencies of any schools served by the local educational agency in which any subgroup of students, on its own, would lead to identification under subsection (c)(4)(D)(i)(I) using the State's methodology under subsection (c)(4)(D), after which notification of such schools under this paragraph shall result from differentiation of schools pursuant to subsection (c)(4)(C)(iii).

(3) CONTINUED SUPPORT FOR SCHOOL AND LOCAL EDUCATIONAL AGENCY IMPROVEMENT.—To ensure continued progress to improve student academic achievement and school success in the State, the State educational agency—

(A) shall—

(i) establish statewide exit criteria for—

(I) schools identified by the State for comprehensive support and improvement under subsection (c)(4)(D)(i), which, if not satisfied within a State-determined number of years (not to exceed four years), shall result in more rigorous State-determined action, such as the implementation of interventions (which may include addressing school-level operations); and

(II) schools described in paragraph (2)(C), which, if not satisfied within a State-determined number of years, shall, in the case of such schools receiving assistance under this part, result in identification of the school by the State for comprehensive support and improvement under subsection (c)(4)(D)(i)(III);

(ii) periodically review resource allocation to support school improvement in each local educational agency in the State serving—

(I) a significant number of schools identified for comprehensive support and improvement under subsection (c)(4)(D)(i); and

(II) a significant number of schools implementing targeted support and improvement plans under paragraph (2); and

(iii) provide technical assistance to each local educational agency in the State serving a significant number of—

(I) schools implementing comprehensive support and improvement plans under paragraph (1); or

(II) schools implementing targeted support and improvement plans under paragraph (2); and

(B) may—

(i) take action to initiate additional improvement in any local educational agency with—

(I) a significant number of schools that are consistently identified by the State for comprehensive support and improvement under subsection (c)(4)(D)(i) and not meeting exit criteria established by the State under subparagraph (A)(i)(I); or

(II) a significant number of schools implementing targeted support and improvement plans under paragraph (2); and

(ii) consistent with State law, establish alternative evidence-based State determined strategies that can be used by local educational agencies to assist a school identified for comprehensive support and improvement under subsection (c)(4)(D)(i).

(4) RULE OF CONSTRUCTION FOR COLLECTIVE BARGAINING.—Nothing in this subsection shall be construed to alter or otherwise affect the rights, remedies, and procedures afforded to school or local educational agency employees under Federal, State, or local laws (including applicable regulations or court orders) or under the terms of collective bargaining agreements, memoranda of understanding, or other agreements between such employers and their employees.

(e) PROHIBITION.—

(1) IN GENERAL.—Nothing in this Act shall be construed to authorize or permit the Secretary—

(A) when promulgating any rule or regulation, to promulgate any rule or regulation on the development or implementation of the statewide accountability system established under this section that would—

(i) add new requirements that are inconsistent with or outside the scope of this part;

(ii) add new criteria that are inconsistent with or outside the scope of this part; or

(iii) be in excess of statutory authority granted to the Secretary;

(B) as a condition of approval of the State plan, or revisions or amendments to, the State plan, or approval of a waiver request submitted under section 8401, to—

(i) require a State to add any requirements that are inconsistent with or outside the scope of this part;

(ii) require a State to add or delete one or more specific elements of the challenging State academic standards; or

(iii) prescribe—

(I) numeric long-term goals or measurements of interim progress that States establish for all students, for any subgroups of students, and for English learners with respect to English language proficiency, under this part, including—

(aa) the length of terms set by States in designing such goals; or

(bb) the progress expected from any subgroups of students in meeting such goals;

(II) specific academic assessments or assessment items that States or local educational agencies use to meet the requirements of subsection (b)(2) or otherwise use to measure student academic achievement or student growth under this part;

(III) indicators that States use within the State accountability system under this section, including any requirement to measure student growth, or, if a State chooses to measure student growth, the specific metrics used to measure such growth under this part;

(IV) the weight of any measure or indicator used to identify or meaningfully differentiate schools, under this part;

(V) the specific methodology used by States to meaningfully differentiate or identify schools under this part;

(VI) any specific school support and improvement strategies or activities that State or local educational agencies establish and implement to intervene in, support, and improve schools and improve student outcomes under this part;

(VII) exit criteria established by States under subsection (d)(3)(A)(i);

(VIII) provided that the State meets the requirements in subsection (c)(3), a minimum number of students established by a State under such subsection;

(IX) any aspect or parameter of a teacher, principal, or other school leader evaluation system within a State or local educational agency;

(X) indicators or specific measures of teacher, principal, or other school leader effectiveness or quality; or

(XI) the way in which the State factors the requirement under subsection (c)(4)(E)(i) into the statewide accountability system under this section; or

(C) to issue new non-regulatory guidance that—

(i) in seeking to provide explanation of requirements under this section for State or local educational agencies, either in response to requests for information or in anticipation of such requests, provides a strictly limited or exhaustive list to illustrate successful implementation of provisions under this section; or

(ii) purports to be legally binding; or

(D) to require data collection under this part beyond data derived from existing Federal, State, and local reporting requirements.

(2) DEFINING TERMS.—In carrying out this part, the Secretary shall not, through regulation or as a condition of approval of the State plan or revisions or amendments to the State plan, promulgate a definition of any term used in this

part, or otherwise prescribe any specification for any such term, that is inconsistent with or outside the scope of this part or is in violation of paragraph (1).

(f) EXISTING STATE LAW.—Nothing in this section shall be construed to alter any State law or regulation granting parents authority over schools that repeatedly failed to make adequate yearly progress under this part, as in effect on the day before the date of the enactment of the Every Student Succeeds Act.

(g) OTHER PLAN PROVISIONS.—

(1) DESCRIPTIONS.—Each State plan shall describe—

(A) how the State will provide assistance to local educational agencies and individual elementary schools choosing to use funds under this part to support early childhood education programs;

(B) how low-income and minority children enrolled in schools assisted under this part are not served at disproportionate rates by ineffective, out-of-field, or inexperienced teachers, and the measures the State educational agency will use to evaluate and publicly report the progress of the State educational agency with respect to such description (except that nothing in this subparagraph shall be construed as requiring a State to develop or implement a teacher, principal, or other school leader evaluation system);

(C) how the State educational agency will support local educational agencies receiving assistance under this part to improve school conditions for student learning, including through reducing—

(i) incidences of bullying and harassment;

(ii) the overuse of discipline practices that remove students from the classroom; and

(iii) the use of aversive behavioral interventions that compromise student health and safety;

(D) how the State will support local educational agencies receiving assistance under this part in meeting the needs of students at all levels of schooling (particularly students in the middle grades and high school), including how the State will work with such local educational agencies to provide effective transitions of students to middle grades and high school to decrease the risk of students dropping out;

(E) the steps a State educational agency will take to ensure collaboration with the State agency responsible for administering the State plans under parts B and E of title IV of the Social Security Act (42 U.S.C. 621 et seq. and 670 et seq.) to ensure the educational stability of children in foster care, including assurances that—

(i) any such child enrolls or remains in such child's school of origin, unless a determination is made that it is not in such child's best interest to attend the school of origin, which decision shall be based on all factors relating to the child's best interest, including consideration of the appropriateness of the current

educational setting and the proximity to the school in which the child is enrolled at the time of placement;

(ii) when a determination is made that it is not in such child's best interest to remain in the school of origin, the child is immediately enrolled in a new school, even if the child is unable to produce records normally required for enrollment;

(iii) the enrolling school shall immediately contact the school last attended by any such child to obtain relevant academic and other records; and

(iv) the State educational agency will designate an employee to serve as a point of contact for child welfare agencies and to oversee implementation of the State agency responsibilities required under this subparagraph, and such point of contact shall not be the State's Coordinator for Education of Homeless Children and Youths under section 722(d)(3) of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11432(d)(3));

(F) how the State educational agency will provide support to local educational agencies in the identification, enrollment, attendance, and school stability of homeless children and youths; and

(G) such other factors the State educational agency determines appropriate to provide students an opportunity to achieve the knowledge and skills described in the challenging State academic standards.

(2) ASSURANCES.—Each State plan shall contain assurances that—

(A) the State will make public any methods or criteria the State is using to measure teacher, principal, or other school leader effectiveness for the purpose of meeting the requirements described in paragraph (1)(B);

(B) the State educational agency will notify local educational agencies, Indian tribes and tribal organizations, schools, teachers, parents, and the public of the challenging State academic standards, academic assessments, and State accountability system, developed under this section;

(G) the State educational agency will provide the least restrictive and burdensome regulations for local educational agencies and individual schools participating in a program assisted under this part;

(H) the State educational agency will ensure that local educational agencies, in developing and implementing programs under this part, will, to the extent feasible, work in consultation with outside intermediary organizations (such as educational service agencies), or individuals, that have practical expertise in the development or use of evidence-based strategies and programs to improve teaching, learning, and schools;

(I) the State educational agency has appropriate procedures and safeguards in place to ensure the validity of the assessment process;

(N) the State educational agency will provide the information described in clauses (ii), (iii), and (vii) of subsection (h)(1)(C) to the public in an easily accessible and user-friendly manner that can be cross-tabulated by, at a minimum, each major racial and ethnic group, gender, English proficiency status, and children with or without disabilities, which—

(i) may be accomplished by including such information on the annual State report card described subsection (h)(1)(C); and

(ii) shall be presented in a manner that—

(I) is first anonymized and does not reveal personally identifiable information about an individual student;

(II) does not include a number of students in any subgroup of students that is insufficient to yield statistically reliable information or that

would reveal personally identifiable information about an individual student; and

(III) is consistent with the requirements of section 444 of the General Education Provisions Act (20 U.S.C. 1232g, commonly known as the “Family Educational Rights and Privacy Act of 1974”).

(3) RULES OF CONSTRUCTION.—Nothing in paragraph (2)(N) shall be construed to—

(B) require or prohibit States or local educational agencies from publicly reporting data in a cross-tabulated manner, in order to meet the requirements of paragraph (2)(N).

(5) MEASURES.—

(A) IN GENERAL.—Except as provided in subparagraph (B), a local educational agency shall use the same measure of poverty, which measure shall be the number of children aged 5 through 17 in poverty counted in the most recent census data approved by the Secretary, the number of children eligible for a free or reduced price lunch under the Richard B. Russell National School Lunch Act (42 U.S.C. 1751 et seq.), the number of children in families receiving assistance under the State program funded under part A of title IV of the Social Security Act, or the number of children eligible to receive medical assistance under the Medicaid Program, or a composite of such indicators, with respect to all school attendance areas in the local educational agency—

- (i) to identify eligible school attendance areas;
- (ii) to determine the ranking of each area; and
- (iii) to determine allocations under subsection (c).

(B) SECONDARY SCHOOLS.—For measuring the number of students in low-income families in secondary schools, the local educational agency shall use the same measure of poverty, which shall be—

- (i) the measure described under subparagraph (A);
- or

- (ii) subject to meeting the conditions of subparagraph (C), an accurate estimate of the number of students in low-income families in a secondary school that is calculated by applying the average percentage of students in low-income families of the elementary school attendance areas as calculated under subparagraph (A) that feed into the secondary school to the number of students enrolled in such school.

(C) MEASURE OF POVERTY.—The local educational agency shall have the option to use the measure of poverty described in subparagraph (B)(ii) after—

- (i) conducting outreach to secondary schools within such agency to inform such schools of the option to use such measure; and
- (ii) a majority of such schools have approved the use of such measure.

(6) EXCEPTION.—This subsection shall not apply to a local educational agency with a total enrollment of less than 1,000 children.

(7) WAIVER FOR DESEGREGATION PLANS.—The Secretary may approve a local educational agency's written request for a waiver of the requirements of subsections (a) and (c), and permit such agency to treat as eligible, and serve, any school that children attend with a State-ordered, court-ordered school de-

segregation plan or a plan that continues to be implemented in accordance with a State-ordered or court-ordered desegregation plan, if—

(A) the number of economically disadvantaged children enrolled in the school is at least 25 percent of the school's total enrollment; and

(B) the Secretary determines on the basis of a written request from such agency and in accordance with such criteria as the Secretary establishes, that approval of that request would further the purposes of this part.

(b) LOCAL EDUCATIONAL AGENCY DISCRETION.—

(1) IN GENERAL.—Notwithstanding subsection (a)(2), a local educational agency may—

(A) designate as eligible any school attendance area or school in which at least 35 percent of the children are from low-income families;

(C) designate and serve a school attendance area or school that is not eligible under this section, but that was eligible and that was served in the preceding fiscal year, but only for 1 additional fiscal year; and

(D) elect not to serve an eligible school attendance area or eligible school that has a higher percentage of children from low-income families if—

(i) the school meets the comparability requirements of section 1118(c);

(ii) the school is receiving supplemental funds from other State or local sources that are spent according to the requirements of section 1114 or 1115; and

(iii) the funds expended from such other sources equal or exceed the amount that would be provided under this part.

(2) SPECIAL RULE.—Notwithstanding paragraph (1)(D), the number of children attending private elementary schools and secondary schools who are to receive services, and the assistance such children are to receive under this part, shall be determined without regard to whether the public school attendance area in which such children reside is assisted under subparagraph (A).

(c) ALLOCATIONS.—

(1) IN GENERAL.—A local educational agency shall allocate funds received under this part to eligible school attendance areas or eligible schools, identified under subsections (a) and (b), in rank order, on the basis of the total number of children from low-income families in each area or school.

(2) SPECIAL RULE.—

(A) IN GENERAL.—Except as provided in subparagraph (B), the per-pupil amount of funds allocated to each school

attendance area or school under paragraph (1) shall be at least 125 percent of the per-pupil amount of funds a local educational agency received for that year under the poverty criteria described by the local educational agency in the plan submitted under section 1112, except that this paragraph shall not apply to a local educational agency that only serves schools in which the percentage of such children is 35 percent or greater.

(B) EXCEPTION.—A local educational agency may reduce the amount of funds allocated under subparagraph (A) for a school attendance area or school by the amount of any supplemental State and local funds expended in that school attendance area or school for programs that meet the requirements of section 1114 or 1115.

(3) RESERVATION OF FUNDS.—

(A) IN GENERAL.—A local educational agency shall reserve such funds as are necessary under this part, determined in accordance with subparagraphs (B) and (C), to provide services comparable to those provided to children in schools funded under this part to serve—

(ii) prior to any allowable expenditures or transfers by the local educational agency.

(C) HOMELESS CHILDREN AND YOUTHS.—Funds reserved under subparagraph (A)(i) may be—

(i) determined based on a needs assessment of homeless children and youths in the local educational agency, taking into consideration the number and needs of homeless children and youths in the local educational agency, and which needs assessment may be the same needs assessment as conducted under section 723(b)(1) of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11433(b)(1)); and

(ii) used to provide homeless children and youths with services not ordinarily provided to other students under this part, including providing—

(B) EXCEPTION.—A school that serves an eligible school attendance area in which less than 40 percent of the children are from low-income families, or a school for which less than 40 percent of the children enrolled in the school are from such families, may operate a schoolwide program under this section if the school receives a waiver from the State educational agency to do so, after taking into account how a schoolwide program will best serve the needs of the students in the school served under this part in improving academic achievement and other factors.

(2) IDENTIFICATION OF STUDENTS NOT REQUIRED.—

(A) IN GENERAL.—No school participating in a schoolwide program shall be required to identify—

- (i) particular children under this part as eligible to participate in a schoolwide program; or
- (ii) individual services as supplementary.

(B) SUPPLEMENTAL FUNDS.—In accordance with the method of determination described in section 1118(b)(2), a school participating in a schoolwide program shall use funds available to carry out this section only to supplement the amount of funds that would, in the absence of funds under this part, be made available from non-Federal sources for the school, including funds needed to provide services that are required by law for children with disabilities and English learners.

(C) RECORDS.—A school that chooses to consolidate and use funds from different Federal programs under this section shall not be required to maintain separate fiscal accounting records, by program, that identify the specific activities supported by those particular funds as long as the school maintains records that demonstrate that the schoolwide program, considered as a whole, addresses the intent and purposes of each of the Federal programs that were consolidated to support the schoolwide program.

(b) SCHOOLWIDE PROGRAM PLAN.—An eligible school operating a schoolwide program shall develop a comprehensive plan (or amend a plan for such a program that was in existence on the day before the date of the enactment of the Every Student Succeeds Act) that—

(7) includes a description of—

(3) APPLICABILITY.—Notwithstanding any other provision of law, the Secretary shall not take into consideration the hold-harmless provisions of this subsection for any fiscal year for purposes of calculating State or local allocations for the fiscal

year under any program administered by the Secretary other than a program authorized under this part.

(4) POPULATION DATA.—For any fiscal year for which the Secretary calculates grants on the basis of population data for counties, the Secretary shall apply the hold-harmless percentages in paragraphs (1) and (2) to counties and, if the Secretary's allocation for a county is not sufficient to meet the hold-harmless requirements of this subsection for every local educational agency within that county, the State educational agency shall reallocate funds proportionately from all other local educational agencies in the State that are receiving funds in excess of the hold-harmless amounts specified in this subsection.

(d) RATABLE REDUCTIONS.—

(a) AMOUNT OF GRANTS.—

(1) GRANTS FOR LOCAL EDUCATIONAL AGENCIES AND PUERTO RICO.—Except as provided in paragraph (4) and in section 1126, the grant that a local educational agency is eligible to receive under this section for a fiscal year is the amount determined by multiplying—

(A) the number of children counted under subsection (c); and

(B) 40 percent of the average per-pupil expenditure in the State, except that the amount determined under this subparagraph shall not be less than 32 percent, or more than 48 percent, of the average per-pupil expenditure in the United States.

(2) CALCULATION OF GRANTS.—

(A) ALLOCATIONS TO LOCAL EDUCATIONAL AGENCIES.—The Secretary shall calculate grants under this section on the basis of the number of children counted under subsection (c) for local educational agencies, unless the Secretary and the Secretary of Commerce determine that some or all of those data are unreliable or that their use would be otherwise inappropriate, in which case—

(i) the two Secretaries shall publicly disclose the reasons for their determination in detail; and

(ii) paragraph (3) shall apply.

## (B) ALLOCATIONS TO LARGE AND SMALL LOCAL EDUCATIONAL AGENCIES.—

(i) For any fiscal year to which this paragraph applies, the Secretary shall calculate grants under this section for each local educational agency.

(ii) The amount of a grant under this section for each large local educational agency shall be the amount determined under clause (i).

(iii) For small local educational agencies, the State educational agency may either—

(I) distribute grants under this section in amounts determined by the Secretary under clause (i); or

(II) use an alternative method approved by the Secretary to distribute the portion of the State's total grants under this section that is based on those small agencies.

(iv) An alternative method under clause (iii)(II) shall be based on population data that the State educational agency determines best reflect the current distribution of children in poor families among the State's small local educational agencies that meet the eligibility criteria of subsection (b).

(v) If a small local educational agency is dissatisfied with the determination of its grant by the State educational agency under clause (iii)(II), it may appeal that determination to the Secretary, who shall respond not later than 45 days after receipt of such appeal.

(vi) As used in this subparagraph—

(I) the term “large local educational agency” means a local educational agency serving an area with a total population of 20,000 or more; and

(II) the term “small local educational agency” means a local educational agency serving an area with a total population of less than 20,000.

## (3) ALLOCATIONS TO COUNTIES.—

(A) CALCULATION.—For any fiscal year to which this paragraph applies, the Secretary shall calculate grants under this section on the basis of the number of children counted under subsection (c) for counties, and State educational agencies shall suballocate county amounts to local educational agencies, in accordance with regulations issued by the Secretary.

(B) DIRECT ALLOCATIONS.—In any State in which a large number of local educational agencies overlap county boundaries, or for which the State believes it has data that would better target funds than allocating them by county, the State educational agency may apply to the Secretary for authority to make the allocations under this subpart for a particular fiscal year directly to local educational agencies without regard to counties.

(C) ALLOCATIONS TO LOCAL EDUCATIONAL AGENCIES.—If the Secretary approves the State educational agency's application under subparagraph (B), the State educational

agency shall provide the Secretary an assurance that such allocations shall be made—

- (i) using precisely the same factors for determining a grant as are used under this subpart; or
- (ii) using data that the State educational agency submits to the Secretary for approval that more accurately target poverty.

(D) APPEAL.—The State educational agency shall provide the Secretary an assurance that it will establish a procedure through which a local educational agency that is dissatisfied with its determinations under subparagraph (B) may appeal directly to the Secretary for a final determination.

(4) PUERTO RICO.—

(A) IN GENERAL.—For each fiscal year, the grant that the Commonwealth of Puerto Rico shall be eligible to receive under this section shall be the amount determined by multiplying the number of children counted under subsection (c) for the Commonwealth of Puerto Rico by the product of—

- (i) subject to subparagraph (B), the percentage that the average per-pupil expenditure in the Commonwealth of Puerto Rico is of the lowest average per-pupil expenditure of any of the 50 States; and
- (ii) 32 percent of the average per-pupil expenditure in the United States.

(B) MINIMUM PERCENTAGE.—The percentage in subparagraph (A)(i) shall not be less than—

- (i) for fiscal year 2002, 77.5 percent;
- (ii) for fiscal year 2003, 80.0 percent;
- (iii) for fiscal year 2004, 82.5 percent;
- (iv) for fiscal year 2005, 85.0 percent;
- (v) for fiscal year 2006, 92.5 percent; and
- (vi) for fiscal year 2007 and succeeding fiscal years, 100.0 percent.

(C) LIMITATION.—If the application of subparagraph (B) would result in any of the 50 States or the District of Columbia receiving less under this subpart than it received under this subpart for the preceding fiscal year, the percentage in subparagraph (A) shall be the greater of—

- (i) the percentage in subparagraph (A)(i);
- (ii) the percentage specified in subparagraph (B) for the preceding fiscal year; or
- (iii) the percentage used for the preceding fiscal year.

(b) MINIMUM NUMBER OF CHILDREN TO QUALIFY.—A local educational agency is eligible for a basic grant under this section for any fiscal year only if the number of children counted under subsection (c) for that agency is both—

- (1) 10 or more; and
- (2) more than 2 percent of the total school-age population in the agency's jurisdiction.

(c) CHILDREN TO BE COUNTED.—

(1) CATEGORIES OF CHILDREN.—The number of children to be counted for purposes of this section is the aggregate of—

(A) the number of children aged 5 to 17, inclusive, in the school district of the local educational agency from families below the poverty level as determined under paragraph (2);

(B) the number of children (determined under paragraph (4) for either the preceding year as described in that paragraph, or for the second preceding year, as the Secretary finds appropriate) aged 5 to 17, inclusive, in the school district of such agency in institutions for neglected and delinquent children (other than such institutions operated by the United States), but not counted pursuant to subpart 1 of part D for the purposes of a grant to a State agency, or being supported in foster homes with public funds; and

(C) the number of children aged 5 to 17, inclusive, in the school district of such agency from families above the poverty level as determined under paragraph (4).

(2) DETERMINATION OF NUMBER OF CHILDREN.—For the purposes of this section, the Secretary shall determine the number of children aged 5 to 17, inclusive, from families below the poverty level on the basis of the most recent satisfactory data, described in paragraph (3), available from the Department of Commerce. The District of Columbia and the Commonwealth of Puerto Rico shall be treated as individual local educational agencies. If a local educational agency contains two or more counties in their entirety, then each county will be treated as if such county were a separate local educational agency for purposes of calculating grants under this part. The total of grants for such counties shall be allocated to such a local educational agency, which local educational agency shall distribute to schools in each county within such agency a share of the local educational agency's total grant that is no less than the county's share of the population counts used to calculate the local educational agency's grant.

(3) POPULATION UPDATES.—

(A) IN GENERAL.—In fiscal year 2002 and each subsequent fiscal year, the Secretary shall use updated data on the number of children, aged 5 to 17, inclusive, from families below the poverty level for counties or local educational agencies, published by the Department of Commerce, unless the Secretary and the Secretary of Commerce determine that the use of the updated population data would be inappropriate or unreliable. If appropriate and reliable data are not available annually, the Secretary shall use data which are updated every 2 years.

(B) INAPPROPRIATE OR UNRELIABLE DATA.—If the Secretary and the Secretary of Commerce determine that some or all of the data referred to in subparagraph (A) are inappropriate or unreliable, the Secretary and the Secretary of Commerce shall publicly disclose their reasons.

(C) CRITERIA OF POVERTY.—In determining the families that are below the poverty level, the Secretary shall

use the criteria of poverty used by the Bureau of the Census in compiling the most recent decennial census, as the criteria have been updated by increases in the Consumer Price Index for All Urban Consumers, published by the Bureau of Labor Statistics.

(4) OTHER CHILDREN TO BE COUNTED.—

(A) For the purpose of this section, the Secretary shall determine the number of children aged 5 to 17, inclusive, from families above the poverty level on the basis of the number of such children from families receiving an annual income, in excess of the current criteria of poverty, from payments under a State program funded under part A of title IV of the Social Security Act; and in making such determinations, the Secretary shall use the criteria of poverty used by the Bureau of the Census in compiling the most recent decennial census for a family of four in such form as those criteria have been updated by increases in the Consumer Price Index for All Urban Consumers, published by the Bureau of Labor Statistics.

(B) The Secretary shall determine the number of such children and the number of children aged 5 through 17 living in institutions for neglected or delinquent children, or being supported in foster homes with public funds, on the basis of the caseload data for the month of October of the preceding fiscal year (using, in the case of children described in the preceding sentence, the criteria of poverty and the form of such criteria required by such sentence which were determined for the calendar year preceding such month of October) or, to the extent that such data are not available to the Secretary before January of the calendar year in which the Secretary's determination is made, then on the basis of the most recent reliable data available to the Secretary at the time of such determination.

(C) Except for the data on children living in institutions for neglected or delinquent children, the Secretary of Health and Human Services shall collect and transmit the information required by this subparagraph to the Secretary not later than January 1 of each year.

(D) For the purpose of this section, the Secretary shall consider all children who are in correctional institutions to be living in institutions for delinquent children.

(5) ESTIMATE.—When requested by the Secretary, the Secretary of Commerce shall make a special updated estimate of the number of children of such ages who are from families below the poverty level (as determined under paragraph (1)(A)) in each school district, and the Secretary is authorized to pay (either in advance or by way of reimbursement) the Secretary of Commerce the cost of making this special estimate. The Secretary of Commerce shall give consideration to any request of the chief executive of a State for the collection of additional census information.

(d) STATE MINIMUM.—Notwithstanding section 1122, the aggregate amount allotted for all local educational agencies within a State may not be less than the lesser of—

(1) 0.25 percent of the total amount allocated to States under this section for fiscal year 2001, plus 0.35 percent of the total amount allocated to States under this section in excess of the amount allocated for fiscal year 2001; or

(2) the average of—

(A) the amount calculated in paragraph (1), above; and

(B) the number of children in such State counted under subsection (c) in the fiscal year multiplied by 150 percent of the national average per-pupil payment made with funds available under this section for that year.

(A) the number of children counted under section 1124(c) for that fiscal year; and

(B) the amount in section 1124(a)(1)(B) for each State except the Commonwealth of Puerto Rico, and the amount in section 1124(a)(4) for the Commonwealth of Puerto Rico.

(3) AMOUNT.—The amount of the additional grant for which an eligible local educational agency or county is eligible under this section for any fiscal year shall be an amount which bears the same ratio to the amount available to carry out this section for that fiscal year as the product determined under

paragraph (2) for such local educational agency for that fiscal year bears to the sum of such products for all local educational agencies in the United States for that fiscal year.

(4) LOCAL ALLOCATIONS.—(A) Grant amounts under this section shall be determined in accordance with section 1124(a)(2), (3), and (4).

(B) For any fiscal year for which the Secretary allocates funds under this section on the basis of counties, a State may reserve not more than 2 percent of its allocation under this section to make grants to local educational agencies that meet the criteria of paragraph (1)(A)(i) or (ii) and are in ineligible counties that do not meet these criteria.

(b) SMALL STATES.—In any State for which on the date of enactment of the No Child Left Behind Act of 2001 the number of children counted under section 1124(c) is less than 0.25 percent of the number of those children counted for all States, the State educational agency shall allocate funds under this section among the local educational agencies in the State either—

(1) in accordance with paragraphs (2) and (4) of subsection (a); or

(2) based on their respective concentrations and numbers of children counted under section 1124(c), except that only those local educational agencies with concentrations or numbers of children counted under section 1124(c) that exceed the statewide average percentage of such children or the statewide average number of such children shall receive any funds on the basis of this paragraph.

**SEC. 1125. [20 U.S.C. 6335] TARGETED GRANTS TO LOCAL EDUCATIONAL AGENCIES.**

(a) ELIGIBILITY OF LOCAL EDUCATIONAL AGENCIES.—

(1) IN GENERAL.—A local educational agency in a State is eligible to receive a targeted grant under this section for any fiscal year if—

(A) the number of children in the local educational agency counted under section 1124(c), before application of the weighted child count described in subsection (c), is at least 10; and

(B) if the number of children counted for grants under section 1124(c), before application of the weighted child count described in subsection (c), is at least 5 percent of the total number of children aged 5 to 17 years, inclusive, in the school district of the local educational agency.

(2) SPECIAL RULE.—For any fiscal year for which the Secretary allocates funds under this section on the basis of counties, funds made available as a result of applying this subsection shall be reallocated by the State educational agency to other eligible local educational agencies in the State in proportion to the distribution of other funds under this section.

(b) GRANTS FOR LOCAL EDUCATIONAL AGENCIES, THE DISTRICT OF COLUMBIA, AND THE COMMONWEALTH OF PUERTO RICO.—

(1) IN GENERAL.—The amount of the grant that a local educational agency in a State (other than the Commonwealth of Puerto Rico) is eligible to receive under this section for any fiscal year shall be the product of—

(A) the weighted child count determined under subsection (c); and

The casing of the matter inserted in the section heading is not OLC style, however, is reflected here in the correct style and casing. The amendment also included a point dash with the word “Pursuant” run in to the heading which is not reflected here.

(iii) 1.30 minus such State's equity factor described in paragraph (3).

(B) STATE MINIMUM.—Notwithstanding any other provision of this section or section 1122, from the total amount available for any fiscal year to carry out this section, each State shall be allotted at least the lesser of—

(3) STATES WITH AN EQUITY FACTOR GREATER THAN OR EQUAL TO .20.—In States with an equity factor greater than or equal to .20, the weighted child counts referred to in subsection (d) shall be calculated as follows:

(A) WEIGHTS FOR ALLOCATIONS TO COUNTIES.—

(i) IN GENERAL.—For each fiscal year for which the Secretary uses county population data to calculate grants, the weighted child count used to determine a county's allocation under this section is the larger of the two amounts determined under clauses (ii) and (iii).

(ii) BY PERCENTAGE OF CHILDREN.—The amount referred to in clause (i) is determined by adding—

(I) the number of children determined under section 1124(c) for that county who constitute not more than 15.00 percent, inclusive, of the county's total population aged 5 to 17, inclusive, multiplied by 1.0;

(IV) the number of such children who constitute more than 24.20 percent, but not more than 29.20 percent, of such population, multiplied by 6.0; and

(V) the number of such children who constitute more than 29.20 percent of such population, multiplied by 8.0.

(iii) BY NUMBER OF CHILDREN.—The amount referred to in clause (i) is determined by adding—

(I) the number of children determined under section 1124(c) who constitute not more than 2,311, inclusive, of the county's total population aged 5 to 17, inclusive, multiplied by 1.0;

(B) WEIGHTS FOR ALLOCATIONS TO LOCAL EDUCATIONAL AGENCIES.—

(i) IN GENERAL.—For each fiscal year for which the Secretary uses local educational agency data, the weighted child count used to determine a local educational agency's grant under this section is the larger of the two amounts determined under clauses (ii) and (iii).

(ii) BY PERCENTAGE OF CHILDREN.—The amount referred to in clause (i) is determined by adding—

(I) the number of children determined under section 1124(c) for that local educational agency who constitute not more than 15.58 percent, inclusive, of the agency's total population aged 5 to 17, inclusive, multiplied by 1.0;

(II) the number of such children who constitute more than 15.58 percent, but not more than 22.11 percent, of such population, multiplied by 2.0;

(I) the number of children determined under section 1124(c) who constitute not more than 691,

inclusive, of the agency's total population aged 5 to 17, inclusive, multiplied by 1.0;

(II) the number of such children between 692 and 2,262, inclusive, in such population, multiplied by 2.0;

(III) the number of such children between 2,263 and 7,851, inclusive, in such population, multiplied by 3.0;

(e) MAINTENANCE OF EFFORT.—

(1) IN GENERAL.—A State is entitled to receive its full allotment of funds under this section for any fiscal year if the Secretary finds that the State's fiscal effort per student or the aggregate expenditures of the State with respect to the provision of free public education by the State for the preceding fiscal year was not less than 90 percent of the fiscal effort or aggregate expenditures for the second preceding fiscal year, subject to the requirements of paragraph (2).

(2) REDUCTION IN CASE OF FAILURE TO MEET.—

(A) IN GENERAL.—The Secretary shall reduce the amount of the allotment of funds under this section for any fiscal year in the exact proportion by which a State fails to meet the requirement of paragraph (1) by falling below 90 percent of both the fiscal effort per student and aggregate expenditures (using the measure most favorable to the State), if such State has also failed to meet such requirement (as determined using the measure most favorable to the State) for 1 or more of the 5 immediately preceding fiscal years.

(B) SPECIAL RULE.—No such lesser amount shall be used for computing the effort required under paragraph (1) for subsequent years.

(3) WAIVER.—The Secretary may waive the requirements of this subsection if the Secretary determines that a waiver would be equitable due to—

(A) exceptional or uncontrollable circumstances, such as a natural disaster or a change in the organizational structure of the State; or

(B) a precipitous decline in the financial resources of the State.

(f) ADJUSTMENTS WHERE NECESSITATED BY APPROPRIATIONS.—

(1) IN GENERAL.—If the sums available under this section for any fiscal year are insufficient to pay the full amounts that all local educational agencies in States are eligible to receive to carry out this section for such year, the Secretary shall ratably reduce the allocations to such local educational agencies, subject to paragraphs (2) and (3).

(2) ADDITIONAL FUNDS.—If additional funds become available for making payments under this section for such fiscal

(c) **REALLOCATION.**—If a State educational agency determines that the amount of a grant a local educational agency would receive under sections 1124, 1124A, 1125, and 1125A is more than such local educational agency will use, the State educational agen-

cy shall make the excess amount available to other local educational agencies in the State that need additional funds in accordance with criteria established by the State educational agency.

(3) **WAIVER AUTHORITY.**—A State may request, and the Secretary shall review such request and may grant, a delay of the withdrawal of authority under subsection (i) for the purpose of providing the State with the time necessary to implement the innovative assessment system statewide, if, at the conclusion of the State's approved demonstration authority period and 2-year extension—

(A) the State has met all of the requirements of this section, except transition to full statewide use of the innovative assessment system; and

(2) To ensure that migratory children who move among the States are not penalized in any manner by disparities among the States in curriculum, graduation requirements, and challenging State academic standards.

(3) To ensure that migratory children receive full and appropriate opportunities to meet the same challenging State academic standards that all children are expected to meet.

(4) To help migratory children overcome educational disruption, cultural and language barriers, social isolation, various health-related problems, and other factors that inhibit the ability of such children to succeed in school.

(5) To help migratory children benefit from State and local systemic reforms.

### **SEC. 1302. [20 U.S.C. 6392] PROGRAM AUTHORIZED.**

In order to carry out the purpose of this part, the Secretary shall make grants to State educational agencies, or combinations of such agencies, to establish or improve, directly or through local operating agencies, programs of education for migratory children in accordance with this part.

(1) **IN GENERAL.**—For each fiscal year, the grant that the Commonwealth of Puerto Rico shall be eligible to receive under this part shall be the amount determined by multiplying the number of children who would be counted under subsection (a)(1) if such subsection applied to the Commonwealth of Puerto Rico by the product of—

(A) the percentage that the average per-pupil expenditure in the Commonwealth of Puerto Rico is of the lowest average per-pupil expenditure of any of the 50 States, subject to paragraphs (2) and (3); and

(B) 32 percent of the average per-pupil expenditure in the United States.

(2) **MINIMUM PERCENTAGE.**—The percentage described in paragraph (1)(A) shall not be less than 85 percent.

(3) **LIMITATION.**—If the application of paragraph (2) for any fiscal year would result in any of the 50 States or the District of Columbia receiving less under this part than it received under this part for the preceding fiscal year, then the percentage described in paragraph (1)(A) that is used for the Commonwealth of Puerto Rico for the fiscal year for which the determination is made shall be the greater of the percentage in paragraph (1)(A) for such fiscal year or the percentage used for the preceding fiscal year.

retary shall allocate such funds to States in amounts that the Secretary determines will best carry out the purposes of this part.

(2) SPECIAL RULE.—

(A) FURTHER REDUCTIONS.—The Secretary shall further reduce the amount of any grant to a State under this part for any fiscal year if the Secretary determines, based on available information on the numbers and needs of migratory children in the State and the program proposed by the State to address such needs, that such amount exceeds the amount required under section 1304.

(B) REALLOCATION.—The Secretary shall reallocate such excess funds to other States whose grants under this part would otherwise be insufficient to provide an appropriate level of services to migratory children, in such amounts as the Secretary determines are appropriate.

(iii) ensure that each high-poverty school receives, in the first year of the demonstration agreement—

**PART D—MAGNET SCHOOLS ASSISTANCE**

**SEC. 4401. [20 U.S.C. 7231] FINDINGS AND PURPOSE.**

(a) **FINDINGS.**—Congress makes the following findings:

(1) Magnet schools are a significant part of the Nation’s effort to achieve voluntary desegregation in our Nation’s schools.

(2) The use of magnet schools has increased dramatically since the inception of the magnet schools assistance program under this Act, with approximately 2,500,000 students nationwide attending such schools, of whom more than 69 percent are non-white.

(3) Magnet schools offer a wide range of distinctive programs that have served as models for school improvement efforts.

(4) It is in the best interests of the United States—

(A) to continue the Federal Government's support of local educational agencies that are implementing court-ordered desegregation plans and local educational agencies that are voluntarily seeking to foster meaningful interaction among students of different racial and ethnic backgrounds, beginning at the earliest stage of such students' education;

(B) to ensure that all students have equitable access to a high quality education that will prepare all students to function well in a technologically oriented and a highly competitive economy comprised of people from many different racial and ethnic backgrounds; and

(C) to continue to desegregate and diversify schools by supporting magnet schools, recognizing that segregation exists between minority and nonminority students as well as among students of different minority groups.

(5) Desegregation efforts through magnet school programs are a significant part of our Nation's effort to achieve voluntary desegregation in schools and help to ensure equal educational opportunities for all students.

(b) PURPOSE.—The purpose of this part is to assist in the desegregation of schools served by local educational agencies by providing financial assistance to eligible local educational agencies for—

(1) the elimination, reduction, or prevention of minority group isolation in elementary schools and secondary schools with substantial proportions of minority students, which shall include assisting in the efforts of the United States to achieve voluntary desegregation in public schools;

(2) the development, implementation, and expansion of magnet school programs that will assist local educational agencies in achieving systemic reforms and providing all students the opportunity to meet challenging State academic standards;

(3) the development, design, and expansion of innovative educational methods and practices that promote diversity and increase choices in public elementary schools and public secondary schools and public educational programs;

(4) courses of instruction within magnet schools that will substantially strengthen the knowledge of academic subjects and the attainment of tangible and marketable career, technological, and professional skills of students attending such schools;

(5) improving the capacity of local educational agencies, including through professional development, to continue operating magnet schools at a high performance level after Federal funding for the magnet schools is terminated; and

(6) ensuring that all students enrolled in the magnet school programs have equitable access to high quality education that will enable the students to succeed academically and continue with postsecondary education or employment.

## **PART B—NATIVE HAWAIIAN EDUCATION**

### **SEC. 6201. [20 U.S.C. 7511] SHORT TITLE.**

This part may be cited as the “Native Hawaiian Education Act”.

**SEC. 6202. [20 U.S.C. 7512] FINDINGS.**

Congress finds the following:

(1) Native Hawaiians are a distinct and unique indigenous people with a historical continuity to the original inhabitants of the Hawaiian archipelago, whose society was organized as a nation and internationally recognized as a nation by the United States, Britain, France, and Japan, as evidenced by treaties governing friendship, commerce, and navigation.

(2) At the time of the arrival of the first nonindigenous people in Hawaii in 1778, the Native Hawaiian people lived in a highly organized, self-sufficient subsistence social system based on a communal land tenure system with a sophisticated language, culture, and religion.

(3) A unified monarchical government of the Hawaiian Islands was established in 1810 under Kamehameha I, the first King of Hawaii.

(4) From 1826 until 1893, the United States recognized the sovereignty and independence of the Kingdom of Hawaii, which was established in 1810 under Kamehameha I, extended full and complete diplomatic recognition to the Kingdom of Hawaii, and entered into treaties and conventions with the Kingdom of Hawaii to govern friendship, commerce and navigation in 1826, 1842, 1849, 1875, and 1887.

(5) In 1893, the sovereign, independent, internationally recognized, and indigenous government of Hawaii, the Kingdom of Hawaii, was overthrown by a small group of non-Hawaiians, including United States citizens, who were assisted in their efforts by the United States Minister, a United States naval representative, and armed naval forces of the United States. Because of the participation of United States agents and citizens in the overthrow of the Kingdom of Hawaii, in 1993 the United States apologized to Native Hawaiians for the overthrow and the deprivation of the rights of Native Hawaiians to self-determination through Public Law 103-150 (107 Stat. 1510).

(6) In 1898, the joint resolution entitled "Joint Resolution to provide for annexing the Hawaiian Islands to the United States", approved July 7, 1898 (30 Stat. 750), ceded absolute title of all lands held by the Republic of Hawaii, including the government and crown lands of the former Kingdom of Hawaii, to the United States, but mandated that revenue generated from the lands be used "solely for the benefit of the inhabitants of the Hawaiian Islands for educational and other public purposes".

(7) By 1919, the Native Hawaiian population had declined from an estimated 1,000,000 in 1778 to an alarming 22,600, and in recognition of this severe decline, Congress enacted the Hawaiian Homes Commission Act, 1920 (42 Stat. 108), which designated approximately 200,000 acres of ceded public lands for homesteading by Native Hawaiians.

(8) Through the enactment of the Hawaiian Homes Commission Act, 1920, Congress affirmed the special relationship between the United States and the Native Hawaiians, which was described by then Secretary of the Interior Franklin K.

Lane, who said: "One thing that impressed me... was the fact that the natives of the island who are our wards, I should say, and for whom in a sense we are trustees, are falling off rapidly in numbers and many of them are in poverty."

(9) In 1938, Congress again acknowledged the unique status of the Hawaiian people by including in the Act of June 20, 1938 (52 Stat. 781, chapter 530; 16 U.S.C. 391b, 391b-1, 392b, 392c, 396, 396a), a provision to lease lands within the National Parks extension to Native Hawaiians and to permit fishing in the area "only by native Hawaiian residents of said area or of adjacent villages and by visitors under their guidance."

(10) Under the Act entitled "An Act to provide for the admission of the State of Hawaii into the Union", approved March 18, 1959 (73 Stat. 4), the United States transferred responsibility for the administration of the Hawaiian Home Lands to the State of Hawaii but reaffirmed the trust relationship between the United States and the Hawaiian people by retaining the exclusive power to enforce the trust, including the power to approve land exchanges and amendments to such Act affecting the rights of beneficiaries under such Act.

(11) In 1959, under the Act entitled "An Act to provide for the admission of the State of Hawaii into the Union", the United States also ceded to the State of Hawaii title to the public lands formerly held by the United States, but mandated that such lands be held by the State "in public trust" and reaffirmed the special relationship that existed between the United States and the Hawaiian people by retaining the legal responsibility to enforce the public trust responsibility of the State of Hawaii for the betterment of the conditions of Native Hawaiians, as defined in section 201(a) of the Hawaiian Homes Commission Act, 1920.

(12) The United States has recognized and reaffirmed that—

(A) Native Hawaiians have a cultural, historic, and land-based link to the indigenous people who exercised sovereignty over the Hawaiian Islands, and that group has never relinquished its claims to sovereignty or its sovereign lands;

(B) Congress does not extend services to Native Hawaiians because of their race, but because of their unique status as the indigenous people of a once sovereign nation as to whom the United States has established a trust relationship;

(C) Congress has also delegated broad authority to administer a portion of the Federal trust responsibility to the State of Hawaii;

(D) the political status of Native Hawaiians is comparable to that of American Indians and Alaska Natives; and

(E) the aboriginal, indigenous people of the United States have—

(i) a continuing right to autonomy in their internal affairs; and

(ii) an ongoing right of self-determination and self-governance that has never been extinguished.

(13) The political relationship between the United States and the Native Hawaiian people has been recognized and reaffirmed by the United States, as evidenced by the inclusion of Native Hawaiians in—

(A) the Native American Programs Act of 1974 (42 U.S.C. 2991 et seq.);

(B) the American Indian Religious Freedom Act (42 U.S.C. 1996);

(C) the National Museum of the American Indian Act (20 U.S.C. 80q et seq.);

(D) the Native American Graves Protection and Repatriation Act (25 U.S.C. 3001 et seq.);

(E) division A of subtitle III of title 54, United States Code;

(F) the Native American Languages Act (25 U.S.C. 2901 et seq.);

(G) the American Indian, Alaska Native, and Native Hawaiian Culture and Art Development Act (20 U.S.C. 4401 et seq.);

(H) the Workforce Innovation and Opportunity Act; and

(I) the Older Americans Act of 1965 (42 U.S.C. 3001 et seq.).

### **PART C—ALASKA NATIVE EDUCATION**

#### **SEC. 6301. [20 U.S.C. 7541] SHORT TITLE.**

This part may be cited as the “Alaska Native Educational Equity, Support, and Assistance Act”.

#### **SEC. 6302. [20 U.S.C. 7542] FINDINGS.**

Congress finds and declares the following:

(1) It is the policy of the Federal Government to maximize the leadership of and participation by Alaska Natives in the planning and the management of Alaska Native education programs and to support efforts developed by and undertaken within the Alaska Native community to improve educational opportunity for all students.

(2) Many Alaska Native children enter and exit school with serious educational disadvantages.

(3) Overcoming the magnitude of the geographic challenges, historical inequities, and other barriers to successfully improving educational outcomes for Alaska Native students in rural, village, and urban settings is challenging. Significant disparities between academic achievement of Alaska Native students and non-Native students continue, including lower graduation rates, increased school dropout rates, and lower achievement scores on standardized tests.

(4) The preservation of Alaska Native cultures and languages and the integration of Alaska Native cultures and languages into education, positive identity development for Alaska Native students, and local, place-based, and culture-based programming are critical to the attainment of educational success and the long-term well-being of Alaska Native students.

(5) Improving educational outcomes for Alaska Native students increases access to employment opportunities.

(6) The Federal Government should lend support to efforts developed by and undertaken within the Alaska Native community to improve educational opportunity for Alaska Native students. In 1983, pursuant to Public Law 98–63, Alaska ceased to receive educational funding from the Bureau of In-

dian Affairs. The Bureau of Indian Education does not operate any schools in Alaska, nor operate or fund Alaska Native education programs. The program under this part supports the Federal trust responsibility of the United States to Alaska Natives.

(4) To authorize the development, management, and expansion of effective supplemental educational programs to benefit Alaska Natives.

(5) To provide direction and guidance to appropriate Federal, State and local agencies to focus resources, including resources made available under this part, on meeting the educational needs of Alaska Natives.

## TITLE VII—IMPACT AID

### SEC. 7001. [20 U.S.C. 7701] PURPOSE.

In order to fulfill the Federal responsibility to assist with the provision of educational services to federally connected children in a manner that promotes control by local educational agencies with little or no Federal or State involvement, because certain activities of the Federal Government, such as activities to fulfill the responsibilities of the Federal Government with respect to Indian tribes and activities under section 511 of the Servicemembers Civil Relief Act, place a financial burden on the local educational agencies serving areas where such activities are carried out, and to help such children meet the same challenging State academic standards, it is the purpose of this title to provide financial assistance to local educational agencies that—

(1) experience a substantial and continuing financial burden due to the acquisition of real property by the United States;

(2) educate children who reside on Federal property and whose parents are employed on Federal property;

(3) educate children of parents who are in the military services and children who live in low-rent housing;

(4) educate heavy concentrations of children whose parents are civilian employees of the Federal Government and do not reside on Federal property; or

(5) need special assistance with capital expenditures for construction activities because of the enrollments of substantial numbers of children who reside on Federal lands and because of the difficulty of raising local revenue through bond referendums for capital projects due to the inability to tax Federal property.

### SEC. 7002. [20 U.S.C. 7702] PAYMENTS RELATING TO FEDERAL ACQUISITION OF REAL PROPERTY.

(a) IN GENERAL.—Where the Secretary, after consultation with any local educational agency and with the appropriate State educational agency, determines—

(1) that the United States owns Federal property in the local educational agency, and that such property—

(A) has been acquired by the United States since 1938;

(B) was not acquired by exchange for other Federal property in the local educational agency which the United States owned before 1939; and

(C) had an assessed value according to original records (including facsimiles or other reproductions of those records) documenting the assessed value of such property (determined as of the time or times when so acquired) prepared by the local officials referred to in subsection (b)(3) or, when such original records are not available due to unintentional destruction (such as natural disaster, fire, flooding, pest infestation, or deterioration due to age), other records, including Federal agency records, local historical records, or other records that the Secretary determines to be appropriate and reliable, aggregating 10 percent or more of the assessed value of—

(i) all real property in the local educational agency (similarly determined as of the time or times when such Federal property was so acquired); or

(ii) all real property in the local educational agency as assessed in the first year preceding or succeeding acquisition, whichever is greater, only if—

(I) the assessment of all real property in the local educational agency is not made at the same time or times that such Federal property was so acquired and assessed; and

(II) State law requires an assessment be made of property so acquired; and

(2) that such agency is not being substantially compensated for the loss in revenue resulting from such ownership by increases in revenue accruing to the agency from the conduct of Federal activities with respect to such Federal property,

then such agency shall be eligible to receive the amount described in subsection (b) or (h).

(b) AMOUNT.—

(1) IN GENERAL.—(A)(i)(I) Subject to subclauses (II) and (III), the amount that a local educational agency shall be paid under subsection (a) for a fiscal year shall be calculated in accordance with paragraph (2).

(II) Except as provided in subclause (III), the Secretary may not reduce the amount of a payment under this section to a local educational agency for a fiscal year by (aa) the amount equal to the amount of revenue, if any, the agency received during the previous fiscal year from activities conducted on Federal property eligible under this section and located in a school district served by the agency, including amounts received from any Federal department or agency (other than the Department of Education) from such activities, by reason of receipt of such revenue, or (bb) any other amount by reason of receipt of such revenue.

(III) If the amount equal to the sum of (aa) the proposed payment under this section to a local educational agency for a fiscal year and (bb) the amount of revenue described in subclause (II)(aa) received by the agency during the previous fiscal year, exceeds the maximum amount the agency is eligible to receive under this section for the fiscal year involved, then the

Secretary shall reduce the amount of the proposed payment under this section by an amount equal to such excess amount.

(ii) For purposes of clause (i), the amount of revenue that a local educational agency receives during the previous fiscal year from activities conducted on Federal property shall not include payments received by the agency from the Secretary of Defense to support—

(I) the operation of a domestic dependent elementary or secondary school; or

(II) the provision of a free public education to dependents of members of the Armed Forces residing on or near a military installation.

(B) If funds appropriated under section 7014(a) are insufficient to pay the amount determined under subparagraph (A), the Secretary shall calculate the payment for each eligible local educational agency in accordance with subsection (h).

(C) Notwithstanding any other provision of this subsection, a local educational agency may not be paid an amount under this section that, when added to the amount such agency receives under section 7003(b), exceeds the maximum amount that such agency is eligible to receive for such fiscal year under section 7003(b)(1)(C), or the maximum amount that such agency is eligible to receive for such fiscal year under this section, whichever is greater.

(2) APPLICATION OF CURRENT LEVIED REAL PROPERTY TAX RATE.—In calculating the amount that a local educational agency is eligible to receive for a fiscal year, the Secretary shall apply the current levied real property tax rate for current expenditures levied by fiscally independent local educational agencies, or imputed for fiscally dependent local educational agencies, to the current annually determined estimated taxable value of such acquired Federal property.

(3) DETERMINATION OF TAXABLE VALUE FOR ELIGIBLE FEDERAL PROPERTY.—

(A) IN GENERAL.—In determining the estimated taxable value of such acquired Federal property for fiscal year 2010 and each succeeding fiscal year, the Secretary shall—

(i) first determine the total taxable value for the purpose of levying property tax for school purposes for current expenditures of real property located within the boundaries of such local educational agency;

(ii) then determine the per acre value of the eligible Federal property by dividing the total taxable value as determined in clause (i) by the difference between the total acres located within the boundaries of the local educational agency and the number of Federal acres eligible under this section; and

(iii) then determine the total taxable value of the eligible Federal property by multiplying the per acre value as calculated under clause (ii) by the number of Federal acres eligible under this section.

(B) SPECIAL RULE.—In the case of Federal property eligible under this section that is within the boundaries of 2 or more local educational agencies that are eligible under

this section, any of such agencies may ask the Secretary to calculate (and the Secretary shall calculate) the taxable value of the eligible Federal property that is within its boundaries by—

(i) first calculating the per-acre value of the eligible Federal property separately for each eligible local educational agency that shared the Federal property, as provided in subparagraph (A)(ii);

(ii) then averaging the resulting per-acre values of the eligible Federal property from each eligible local educational agency that shares the Federal property; and

(iii) then applying the average per-acre value to determine the total taxable value of the eligible Federal property under subparagraph (A)(iii) for the requesting local educational agency.

(c) **APPLICABILITY TO TENNESSEE VALLEY AUTHORITY ACT.**—For the purpose of this section, any real property with respect to which payments are being made under section 13 of the Tennessee Valley Authority Act of 1933 shall not be regarded as Federal property.

(d) **OWNERSHIP BY UNITED STATES.**—The United States shall be deemed to own Federal property for the purposes of this Act, where—

(1) prior to the transfer of Federal property, the United States owned Federal property meeting the requirements of subparagraphs (A), (B), and (C) of subsection (a)(1); and

(2) the United States transfers a portion of the property referred to in paragraph (1) to another nontaxable entity, and the United States—

(A) restricts some or any construction on such property;

(B) requires that the property be used in perpetuity for the public purposes for which the property was conveyed;

(C) requires the grantee of the property to report to the Federal Government (or its agent) regarding information on the use of the property;

(D) except with the approval of the Federal Government (or its agent), prohibits the sale, lease, assignment, or other disposal of the property unless such sale, lease, assignment, or other disposal is to another eligible government agency; and

(E) reserves to the Federal Government a right of reversion at any time the Federal Government (or its agent) deems it necessary for the national defense.

(e) **LOCAL EDUCATIONAL AGENCY CONTAINING FOREST SERVICE LAND AND SERVING CERTAIN COUNTIES.**—Beginning with fiscal year 1995, a local educational agency shall be deemed to meet the requirements of subsection (a)(1)(C) if such local educational agency meets the following requirements:

(1) **ACREAGE AND ACQUISITION BY THE FOREST SERVICE.**—The local educational agency serves a school district that contains between 20,000 and 60,000 acres of land that has been acquired by the Forest Service of the Department of Agri-

culture between 1915 and 1990, as demonstrated by written evidence from the Forest Service satisfactory to the Secretary.

(2) COUNTY CHARTER.—The local educational agency serves a county chartered under State law in 1875 or 1890. For each fiscal year beginning on or after the date of enactment of the Every Student Succeeds Act, the Secretary shall treat local educational agencies chartered in 1871 having more than 70 percent of the county in Federal ownership as meeting the eligibility requirements of subparagraphs (A) and (C) of subsection (a)(1).

(f) SPECIAL RULE.—For each fiscal year beginning on or after the date of enactment of the Every Student Succeeds Act, a local educational agency shall be deemed to meet the requirements of subsection (a)(1)(C) if the agency was eligible under paragraph (1) or (3) of section 7002(f) as such section was in effect on the day before the date of enactment of the Every Student Succeeds Act.

(g) FORMER DISTRICTS.—

(1) CONSOLIDATIONS.—For fiscal year 2006 and each succeeding fiscal year, if a local educational agency described in paragraph (2) is formed at any time after 1938 by the consolidation of 2 or more former school districts, the local educational agency may elect to have the Secretary determine its eligibility for assistance under this section for any fiscal year on the basis of 1 or more of those former districts, as designated by the local educational agency.

(2) ELIGIBLE LOCAL EDUCATIONAL AGENCIES.—A local educational agency referred to in paragraph (1) is—

(A) any local educational agency that, for fiscal year 1994 or any preceding fiscal year, applied, and was determined to be eligible under, section 2(c) of the Act of September 30, 1950 (Public Law 874, 81st Congress) as that section was in effect for that fiscal year; or

(B) a local educational agency—

(i) that was formed by the consolidation of 2 or more districts, at least 1 of which was eligible for assistance under this section for the fiscal year preceding the year of the consolidation; and

(ii) which includes the designation referred to in paragraph (1) in its application under section 7005 for a fiscal year beginning on or after the date of enactment of the Every Student Succeeds Act or any timely amendment to such application.

(3) AMOUNT.—A local educational agency eligible under paragraph (1) shall receive a foundation payment as provided for under subparagraphs (A) and (B) of subsection (h)(1), except that the foundation payment shall be calculated based on the most recent payment received by the local educational agency based on its status prior to consolidation.

(h) PAYMENTS WITH RESPECT TO FISCAL YEARS IN WHICH INSUFFICIENT FUNDS ARE APPROPRIATED.—For any fiscal year for which the amount appropriated under section 7014(a) is insufficient to pay to each eligible local educational agency the full amount determined under subsection (b), the Secretary shall make

payments to each local educational agency under this section as follows:

(1) FOUNDATION PAYMENTS FOR PRE-2010 RECIPIENTS.—

(A) IN GENERAL.—The Secretary shall first make a foundation payment to each local educational agency that is determined by the Secretary to be eligible to receive a payment under this section for the fiscal year involved and that filed a timely application, and met, or has been determined by statute to meet, the eligibility requirements of subsection (a) for fiscal year 2009.

(B) AMOUNT.—

(i) IN GENERAL.—The amount of a payment under subparagraph (A) for a local educational agency shall be equal to the greater of 90 percent of the payment the local educational agency received from dollars appropriated for fiscal year 2009 or 90 percent of the average payment that the local educational agency received from dollars appropriated for fiscal years 2006, 2007, 2008, and 2009, and shall be calculated without regard to the maximum payment provisions in subsection (b)(1)(C).

(ii) EXCEPTION.—In calculating such average payment for a local educational agency that did not receive a payment under subsection (b) for 1 or more of the fiscal years between fiscal year 2006 and 2009, inclusive, the lowest such payment made to the agency for fiscal year 2006, 2007, 2008, or 2009, shall be treated as the payment that the agency received under subsection (b) for each fiscal year for which the agency did not receive such a payment.

(C) INSUFFICIENT APPROPRIATIONS.—If the amount appropriated under section 7014(a) is insufficient to pay the full amount determined under this paragraph for all eligible local educational agencies for the fiscal year, then the Secretary shall ratably reduce the payment to each local educational agency under this paragraph.

(2) FOUNDATION PAYMENTS FOR NEW APPLICANTS.—

(A) FIRST YEAR.—From any amounts remaining after making payments under paragraph (1) and subsection (i)(1) for the fiscal year involved, the Secretary shall make a payment, in an amount determined in accordance with subparagraph (C), to each local educational agency that the Secretary determines eligible for a payment under this section for a fiscal year after fiscal year 2009 and that did not receive a payment under paragraph (1) for the fiscal year for which such agency was determined eligible for such payment.

(B) SECOND AND SUCCEEDING YEARS.—For any succeeding fiscal year after the first fiscal year that a local educational agency receives a foundation payment under subparagraph (A), the amount of the local educational agency's foundation payment under this paragraph for such succeeding fiscal year shall be equal to the local edu-

ational agency's foundation payment under this paragraph for the first fiscal year.

(C) AMOUNTS.—The amount of a payment under subparagraph (A) for a local educational agency shall be determined as follows:

(i) Calculate the local educational agency's maximum payment under subsection (b).

(ii) Calculate the percentage that the amount appropriated under section 7014(a) for the most recent fiscal year for which the Secretary has completed making payments under this section is of the total maximum payments for such fiscal year for all local educational agencies eligible for a payment under subsection (b) and multiply the agency's maximum payment by such percentage.

(iii) Multiply the amount determined under clause (ii) by 90 percent.

(D) INSUFFICIENT FUNDS.—If the amount appropriated under section 7014(a) of this title is insufficient to pay the full amount determined under this paragraph for all eligible local educational agencies for the fiscal year, then the Secretary shall ratably reduce the payment to each local educational agency under this paragraph.

(3) REMAINING FUNDS.—From any funds remaining after making payments under paragraphs (1) and (2) for the fiscal year involved, the Secretary shall make a payment to each local educational agency that received a foundation payment under paragraph (1) or (2) or subsection (i)(1), for the fiscal year involved in an amount that bears the same relation to the remainder as a percentage share determined for the local educational agency (by dividing the maximum amount that the agency is eligible to receive under subsection (b) by the total of the maximum amounts for all such agencies) bears to the percentage share determined (in the same manner) for all local educational agencies eligible to receive a payment under this section for the fiscal year involved, except that, for the purpose of calculating a local educational agency's maximum amount under subsection (b), data from the most current fiscal year shall be used.

(4) DATA.—For each local educational agency that received a payment under this section for fiscal year 2010 or any succeeding fiscal year, the Secretary shall not make a payment under paragraph (3) to a local educational agency that fails to submit, within 60 days of the date the Secretary notifies the agency that the information is needed, the data necessary to calculate the maximum amount of a payment under subsection (b) for that local educational agency.

(i) SPECIAL PAYMENTS.—

(1) IN GENERAL.—For any fiscal year beginning with fiscal year 2000 for which the amount appropriated to carry out this section exceeds the amount so appropriated for fiscal year 1996 and for which subsection (b)(1)(B) applies, the Secretary shall use the remainder described in subsection (h)(3) for the fiscal year involved (not to exceed the amount equal to the difference

between (A) the amount appropriated to carry out this section for fiscal year 1997 and (B) the amount appropriated to carry out this section for fiscal year 1996) to increase the payment that would otherwise be made under this section to not more than 50 percent of the maximum amount determined under subsection (b) for any local educational agency described in paragraph (2).

(2) LOCAL EDUCATIONAL AGENCY DESCRIBED.—A local educational agency described in this paragraph is a local educational agency that—

(A) received a payment under this section for fiscal year 1996;

(B) serves a school district that contains all or a portion of a United States military academy;

(C) serves a school district in which the local tax assessor has certified that at least 60 percent of the real property is federally owned; and

(D) demonstrates to the satisfaction of the Secretary that such agency's per-pupil revenue derived from local sources for current expenditures is not less than that revenue for the preceding fiscal year.

(j) PRIOR YEAR DATA.—Notwithstanding any other provision of this section, in determining the eligibility of a local educational agency for a payment under subsection (b) or (h)(2) of this section for a fiscal year, and in calculating the amount of such payment, the Secretary—

(1) shall use data from the prior fiscal year with respect to the Federal property involved, including data with respect to the assessed value of the property and the real property tax rate for current expenditures levied against or imputed to the property; and

(2) shall use data from the second prior fiscal year with respect to determining the amount of revenue referred to in subsection (b)(1)(A)(i).

(k) LOSS OF ELIGIBILITY.—

(1) IN GENERAL.—Notwithstanding any other provision of this section, the Secretary shall make a minimum payment to a local educational agency described in paragraph (2), for the first fiscal year that the agency loses eligibility for assistance under this section as a result of property located within the school district served by the agency failing to meet the definition of Federal property under section 7013(5)(C)(iii), in an amount equal to 90 percent of the amount received by the agency under this section for the preceding year.

(2) LOCAL EDUCATIONAL AGENCY DESCRIBED.—A local educational agency described in this paragraph is an agency that—

(A) was eligible for, and received, a payment under this section for fiscal year 2002; and

(B) beginning in fiscal year 2003 or a subsequent fiscal year, is no longer eligible for payments under this section as provided for in subsection (a)(1)(C) as a result of the transfer of the Federal property involved to a non-Federal entity.

**SEC. 7003. [20 U.S.C. 7703] PAYMENTS FOR ELIGIBLE FEDERALLY CONNECTED CHILDREN.****(a) COMPUTATION OF PAYMENT.—**

(1) **IN GENERAL.**—For the purpose of computing the amount that a local educational agency is eligible to receive under subsection (b) or (d) for any fiscal year, the Secretary shall determine the number of children who were in average daily attendance in the schools of such agency, and for whom such agency provided free public education, during the preceding school year and who, while in attendance at such schools—

(A)(i) resided on Federal property with a parent employed on Federal property situated in whole or in part within the boundaries of the school district of such agency; or

(ii) resided on Federal property with a parent who is an official of, and accredited by, a foreign government and is a foreign military officer;

(B) resided on Federal property and had a parent on active duty in the uniformed services (as defined in section 101 of title 37, United States Code);

(C) resided on Indian lands;

(D)(i) had a parent on active duty in the uniformed services (as defined by section 101 of title 37, United States Code) but did not reside on Federal property; or

(ii) had a parent who is an official of, and has been accredited by, a foreign government and is a foreign military officer but did not reside on Federal property;

(E) resided in low-rent housing;

(F) resided on Federal property and is not described in subparagraph (A) or (B); or

(G) resided with a parent employed on Federal property situated—

(i) in whole or in part in the county in which such agency is located, or in whole or in part in such agency if such agency is located in more than one county; or

(ii) if not in such county, in whole or in part in the same State as such agency.

(2) **DETERMINATION OF WEIGHTED STUDENT UNITS.**—For the purpose of computing the basic support payment under subsection (b), the Secretary shall calculate the total number of weighted student units for a local educational agency by adding together the results obtained by the following computations:

(A) Multiply the number of children described in subparagraphs (A) and (B) of paragraph (1) by a factor of 1.0.

(B) Multiply the number of children described in paragraph (1)(C) by a factor of 1.25.

(C) Multiply the number of children described in subparagraphs (A) and (B) of paragraph (1) by a factor of .35 if the local educational agency has—

(i) a number of such children described in such subparagraphs which exceeds 5,000; and

(ii) an average daily attendance for all children which exceeds 100,000.

(D) Multiply the number of children described in subparagraph (D) of paragraph (1) by a factor of .20.

(E) Multiply the number of children described in subparagraph (E) of paragraph (1) by a factor of .10.

(F) Multiply the number of children described in subparagraphs (F) and (G) of paragraph (1) by a factor of .05.

(3) SPECIAL RULE.—The Secretary shall only compute a payment for a local educational agency for children described in subparagraph (F) or (G) of paragraph (1) if the number of such children equals or exceeds 1,000 or such number equals or exceeds 10 percent of the total number of students in average daily attendance in the schools of such agency.

(4) MILITARY INSTALLATION AND INDIAN HOUSING UNDERGOING RENOVATION OR REBUILDING.—

(A) MILITARY INSTALLATION HOUSING.—Beginning in fiscal year 2014, in determining the amount of a payment for a local educational agency for children described in paragraph (1)(D)(i), the Secretary shall consider those children as if they were children described in paragraph (1)(B) if the Secretary determines, on the basis of a certification provided to the Secretary by a designated representative of the Secretary of Defense, that those children would have resided in housing on Federal property if the housing was not undergoing renovation or rebuilding. The total number of children treated as children described in paragraph (1)(B) shall not exceed the lessor of—

(i) the total number of children eligible under paragraph (1)(B) for the year prior to the initiation of the housing project on Federal property undergoing renovation or rebuilding; or

(ii) the total number of Federally connected children enrolled at the local educational agency as stated in the application filed for the payment for the year for which the determination is made.

(B) INDIAN LANDS.—Beginning in fiscal year 2014, in determining the amount of a payment for a local educational agency that received a payment for children that resided on Indian lands in accordance with paragraph (1)(C) for the fiscal year prior to the fiscal year for which the local educational agency is making an application, the Secretary shall consider those children to be children described in paragraph (1)(C) if the Secretary determines on the basis of a certification provided to the Secretary by a designated representative of the Secretary of the Interior or the Secretary of Housing and Urban Development that those children would have resided in housing on Indian lands if the housing was not undergoing renovation or rebuilding. The total number of children treated as children described in paragraph (1)(C) shall not exceed the lessor of—

(i) the total number of children eligible under paragraph (1)(C) for the year prior to the initiation of

the housing project on Indian lands undergoing renovation or rebuilding; or

(ii) the total number of Federally connected children enrolled at the local educational agency as stated in the application filed for the payment for the year for which the determination is made.

(C) ELIGIBLE HOUSING.—Renovation or rebuilding shall be defined as projects considered as capitalization, modernization, or restoration, as defined by the Secretary of Defense or the Secretary of the Interior (as the case may be) and are projects that last more than 30 days, but do not include “sustainment projects” such as painting, carpeting, or minor repairs.

(5) MILITARY “BUILD TO LEASE” PROGRAM HOUSING.—

(A)<sup>7</sup> IN GENERAL.—For purposes of computing the amount of payment for a local educational agency for children identified under paragraph (1), the Secretary shall consider children residing in housing initially acquired or constructed under the former section 2828(g) of title 10, United States Code (commonly known as the “Build to Lease” program), as added by section 801 of the Military Construction Authorization Act, 1984, or under lease of off-base property under subchapter IV of chapter 169 of title 10, United States Code, to be children described under paragraph (1)(B), if the property described is—

(i) within the fenced security perimeter of the military facility; or

(ii) attached to, and under any type of force protection agreement with, the military installation upon which such housing is situated.

(B) ADDITIONAL REQUIREMENTS.—If the property described in subparagraph (A) is not owned by the Federal Government, is subject to taxation by a State or political subdivision of a State, and thereby generates revenues for a local educational agency that is applying to receive a payment under this section, then the Secretary—

(i) shall require the local educational agency to provide certification from an appropriate official of the Department of Defense that the property is being used to provide military housing; and

(ii) shall reduce the amount of the payment under this section by an amount equal to the amount of revenue from such taxation received in the second preceding fiscal year by such local educational agency, unless the amount of such revenue was taken into account by the State for such second preceding fiscal year and already resulted in a reduction in the amount of State aid paid to such local educational agency.

<sup>7</sup>Subparagraph (A) applies with respect to fiscal year 2016 pursuant to section 579(a)(1) of division A of Public Law 114–328.

(b) BASIC SUPPORT PAYMENTS AND PAYMENTS WITH RESPECT TO FISCAL YEARS IN WHICH INSUFFICIENT FUNDS ARE APPROPRIATED.—

(1) BASIC SUPPORT PAYMENTS.—

(A) IN GENERAL.—From the amount appropriated under section 7014(b) for a fiscal year, the Secretary is authorized to make basic support payments to eligible local educational agencies with children described in subsection (a).

(B) ELIGIBILITY.—A local educational agency is eligible to receive a basic support payment under subparagraph (A) for a fiscal year with respect to a number of children determined under subsection (a)(1) only if the number of children so determined with respect to such agency amounts to the lesser of—

(i) at least 400 such children; or

(ii) a number of such children which equals at least 3 percent of the total number of children who were in average daily attendance, during such year, at the schools of such agency and for whom such agency provided free public education.

(C) MAXIMUM AMOUNT.—The maximum amount that a local educational agency is eligible to receive under this paragraph for any fiscal year is the sum of the total weighted student units, as computed under subsection (a)(2), multiplied by the greater of—

(i) one-half of the average per-pupil expenditure of the State in which the local educational agency is located for the third fiscal year preceding the fiscal year for which the determination is made;

(ii) one-half of the average per-pupil expenditure of all of the States for the third fiscal year preceding the fiscal year for which the determination is made;

(iii) the comparable local contribution rate certified by the State, as determined under regulations prescribed to carry out the Act of September 30, 1950 (Public Law 874, 81st Congress), as such regulations were in effect on January 1, 1994; or

(iv) the average per-pupil expenditure of the State in which the local educational agency is located, multiplied by the local contribution percentage.

(D) DATA.—If satisfactory data from the third preceding fiscal year are not available for any of the expenditures described in clause (i) or (ii) of subparagraph (C), the Secretary shall use data from the most recent fiscal year for which data that are satisfactory to the Secretary are available.

(E) INCREASE IN LOCAL CONTRIBUTION RATE DUE TO UNUSUAL GEOGRAPHIC FACTORS.—If the current expenditures in those local educational agencies which the Secretary has determined to be generally comparable to the local educational agency for which a computation is made under subparagraph (C) are not reasonably comparable because of unusual geographical factors which affect the cur-

rent expenditures necessary to maintain, in such agency, a level of education equivalent to that maintained in such other agencies, then the Secretary shall increase the local contribution rate for such agency under subparagraph (C)(iii) by such an amount which the Secretary determines will compensate such agency for the increase in current expenditures necessitated by such unusual geographical factors. The amount of any such supplementary payment may not exceed the per-pupil share (computed with regard to all children in average daily attendance), as determined by the Secretary, of the increased current expenditures necessitated by such unusual geographic factors.

(F) Beginning with fiscal year 2002, for the purpose of calculating a payment under this paragraph for a local educational agency whose local contribution rate was computed under subparagraph (C)(iii) for the previous year, the Secretary shall use a local contribution rate that is not less than 95 percent of the rate that the LEA received for the preceding year.

(2)<sup>8</sup> BASIC SUPPORT PAYMENTS FOR HEAVILY IMPACTED LOCAL EDUCATIONAL AGENCIES.—

(A) IN GENERAL.—(i) From the amount appropriated under section 7014(b) for a fiscal year, the Secretary is authorized to make basic support payments to eligible heavily impacted local educational agencies with children described in subsection (a).

(ii) A local educational agency that receives a basic support payment under this paragraph for a fiscal year shall not be eligible to receive a basic support payment under paragraph (1) for that fiscal year.

(B) ELIGIBILITY FOR HEAVILY IMPACTED LOCAL EDUCATIONAL AGENCIES.—

(i) IN GENERAL.—A heavily impacted local educational agency is eligible to receive a basic support payment under subparagraph (A) with respect to a number of children determined under subsection (a)(1) if the agency—

(I) is a local educational agency—

(aa) whose boundaries are the same as a Federal military installation; or

(bb)(AA) whose boundaries are the same as an island property designated by the Secretary of the Interior to be property that is held in trust by the Federal Government; and  
(BB) that has no taxing authority;

(II)<sup>9</sup> is a local educational agency that—

(aa) has an enrollment of children described in subsection (a)(1) that constitutes a percentage of the total student enrollment of the agency that is not less than 45 percent;

(cc) was eligible to receive assistance under subparagraph (A) for fiscal year 2001.

(ii) LOSS OF ELIGIBILITY.—

(I) IN GENERAL.—Subject to subclause (II), a heavily impacted local educational agency that met the requirements of clause (i) for a fiscal year shall be ineligible to receive a basic support payment under subparagraph (A) if the agency fails to meet the requirements of clause (i) for a subsequent fiscal year, except that such agency shall continue to receive a basic support payment under this paragraph for the fiscal year for which the ineligibility determination is made.

(II) LOSS OF ELIGIBILITY DUE TO FALLING BELOW 95 PERCENT OF THE AVERAGE TAX RATE FOR GENERAL FUND PURPOSES.—In the case of a heavily impacted local educational agency described in subclause (II) or (V) of clause (i) that is eligible to receive a basic support payment under subparagraph (A), but that has had, for 2 consecutive fiscal years, a tax rate for general fund purposes that falls below 95 percent of the average tax rate for general fund purposes of comparable local educational agencies in the State, such agency shall be determined to be ineligible under clause (i) and ineligible to receive a basic support payment under subparagraph (A) for each fiscal year succeeding such 2 consecutive fiscal years for which the agency has such a tax rate for general fund purposes, and until the fiscal year for which the agency resumes such eligibility in accordance with clause (iii).

(III) TAKEN OVER BY STATE BOARD OF EDUCATION.—In the case of a heavily impacted local educational agency that is eligible to receive a basic support payment under subparagraph (A), but that has been taken over by a State board of education in any 2 previous years, such agency shall be deemed to maintain heavily impacted status for 2 fiscal years following the date of enactment of the Every Student Succeeds Act.

(iii) RESUMPTION OF ELIGIBILITY.—A heavily impacted local educational agency described in clause (i) that becomes ineligible under such clause for 1 or more fiscal years may resume eligibility for a basic support payment under this paragraph for a subsequent fiscal year only if the agency meets the requirements of clause (i) for that subsequent fiscal year, except that such agency shall not receive a basic support payment under this paragraph until the fiscal year succeeding the fiscal year for which the eligibility determination is made.

(C) MAXIMUM AMOUNT FOR HEAVILY IMPACTED LOCAL EDUCATIONAL AGENCIES.—

(i) IN GENERAL.—Except as provided in subparagraph (D), the maximum amount that a heavily impacted local educational agency is eligible to receive under this paragraph for any fiscal year is the sum of the total weighted student units, as computed under subsection (a)(2) and subject to clause (ii), multiplied by the greater of—

(I) four-fifths of the average per-pupil expenditure of the State in which the local educational agency is located for the third fiscal year preceding the fiscal year for which the determination is made; or

(II) four-fifths of the average per-pupil expenditure of all of the States for the third fiscal year preceding the fiscal year for which the determination is made.

(ii) CALCULATION OF WEIGHTED STUDENT UNITS.—

(I) IN GENERAL.—

(aa) PERCENTAGE ENROLLMENT.—For a local educational agency in which 35 percent or more of the total student enrollment of the schools of the agency are children described in subparagraph (D) or (E) (or a combination thereof) of subsection (a)(1), and that has an enrollment of children described in subparagraph (A), (B), or (C) of such subsection equal to at least 10 percent of the agency's total enrollment, the Secretary shall calculate the weighted student units of those children described in subparagraph (D) or (E) of such subsection by multiplying the number of such children by a factor of 0.55.

(bb) EXCEPTION.—Notwithstanding item (aa), a local educational agency that received a payment under this paragraph for fiscal year 2013 shall not be required to have an enrollment of children described in subparagraph (A), (B), or (C) of subsection (a)(1) equal to at least 10 percent of the agency's total enrollment and shall be eligible for the student weight as provided for in item (aa).

(II) ENROLLMENT OF 100 OR FEWER CHILDREN.—For a local educational agency that has an enrollment of 100 or fewer children described in subsection (a)(1), the Secretary shall calculate the total number of weighted student units for purposes of subsection (a)(2) by multiplying the number of such children by a factor of 1.75.

(III) ENROLLMENT OF MORE THAN 100 CHILDREN BUT LESS THAN 1000.—For a local educational agency that is not described under subparagraph (B)(i)(I) and has an enrollment of more than 100 but not more than 1,000 children described in subsection (a)(1), the Secretary shall calculate the total number of weighted student units for purposes of subsection (a)(2) by multiplying the number of such children by a factor of 1.25.

(D) MAXIMUM AMOUNT FOR LARGE HEAVILY IMPACTED LOCAL EDUCATIONAL AGENCIES.—

(i) IN GENERAL.—

(I) FORMULA.—Subject to clauses (ii), (iii), and (iv), the maximum amount that a heavily impacted local educational agency described in subclause (II) is eligible to receive under this paragraph for any fiscal year shall be determined in accordance with the formula described in paragraph (1)(C).

(II) HEAVILY IMPACTED LOCAL EDUCATIONAL AGENCY.—A heavily impacted local educational agency described in this subclause is a local educational agency that received a payment for fiscal year 2015 under section 8003(b)(2)(E) (as such section was in effect for such fiscal year) and has a total student enrollment of not less than 25,000 students, of which not less than 35 percent are children described in subsection (a)(1) and—

(aa) not less than 3,500 of such children are children described in subparagraphs (A) and (B) of subsection (a)(1); or

(bb) not less than 7,000 of such children are children described in subparagraph (D) of subsection (a)(1).

(ii) FACTOR.—For purposes of calculating the maximum amount described in clause (i), the factor used in determining the weighted student units under sub-

section (a)(2) with respect to children described in subparagraphs (A) and (B) of subsection (a)(1) shall be—

- (I) for fiscal year 2016, 1.35;
- (II) for each of fiscal years 2017 and 2018, 1.38;
- (III) for fiscal year 2019, 1.40;
- (IV) for fiscal year 2020, 1.42; and
- (V) for fiscal year 2021 and each fiscal year thereafter, 1.45.

(iii) FACTOR FOR CHILDREN WHO LIVE OFF BASE.—For purposes of calculating the maximum amount described in clause (i), the factor used in determining the weighted student units under subsection (a)(2) with respect to children described in subsection (a)(1)(D) shall be—

- (I) for fiscal year 2016, .20;
- (II) for each of fiscal years 2017 and 2018, .22;
- (III) for each of fiscal years 2019 and 2020, .25; and
- (IV) for fiscal year 2021 and each fiscal year thereafter—

(aa) .30 with respect to each of the first 7,000 children; and

(bb) .25 with respect to the number of children that exceeds 7,000.

(iv) SPECIAL RULE.—Notwithstanding clauses (ii) and (iii), for fiscal year 2020 or any succeeding fiscal year, if the number of students who are children described in subparagraphs (A) and (B) of subsection (a)(1) for a local educational agency subject to this subparagraph exceeds 7,000 for such year or the number of students who are children described in subsection (a)(1)(D) for such local educational agency exceeds 12,750 for such year, then—

(I) the factor used, for the fiscal year for which the determination is being made, to determine the weighted student units under subsection (a)(2) with respect to children described in subparagraphs (A) and (B) of subsection (a)(1) shall be 1.40; and

(II) the factor used, for such fiscal year, to determine the weighted student units under subsection (a)(2) with respect to children described in subsection (a)(1)(D) shall be .20.

(E) DATA.—For purposes of providing assistance under this paragraph, the Secretary shall use student, revenue, expenditure, and tax data from the third fiscal year preceding the fiscal year for which the local educational agency is applying for assistance under this paragraph.

(F) DETERMINATION OF AVERAGE TAX RATES FOR GENERAL FUND PURPOSES.—

(i) IN GENERAL.—Except as provided in clause (ii), for the purpose of determining the average tax rates for general fund purposes for local educational agen-

cies in a State under this paragraph, the Secretary shall use either—

(I) the average tax rate for general fund purposes for comparable local educational agencies, as determined by the Secretary in regulations; or

(II) the average tax rate of all the local educational agencies in the State.

(ii) FISCAL YEARS 2010–2015.—

(I) IN GENERAL.—For fiscal years 2010 through 2015, any local educational agency that was found ineligible to receive a payment under subparagraph (A) because the Secretary determined that it failed to meet the average tax rate requirement for general fund purposes in subparagraph (B)(i)(II)(cc), shall be considered to have met that requirement, if its State determined, through an alternate calculation of average tax rates for general fund purposes, that such local educational agency met that requirement.

(II) SUBSEQUENT FISCAL YEARS AFTER 2015.—For any succeeding fiscal year after 2015, any local educational agency identified in subclause (I) may continue to have its State use that alternate methodology to calculate whether the average tax rate requirement for general fund purposes under subparagraph (B)(i)(II)(cc) is met.

(III) AVAILABILITY OF FUNDS.—Notwithstanding any other provision of law limiting the period during which the Secretary may obligate funds appropriated for any fiscal year after 2012, the Secretary shall reserve a total of \$14,000,000 from funds that remain unobligated under this section from fiscal years 2015 or 2016 in order to make payments under this clause for fiscal years 2011 through 2014.

(G) ELIGIBILITY FOR HEAVILY IMPACTED LOCAL EDUCATIONAL AGENCIES AFFECTED BY PRIVATIZATION OF MILITARY HOUSING.—

(i) ELIGIBILITY.—For any fiscal year, a heavily impacted local educational agency that received a basic support payment under this paragraph for the prior fiscal year, but is ineligible for such payment for the current fiscal year under subparagraph (B) due to the conversion of military housing units to private housing described in clause (iii), or as the direct result of base realignment and closure or modularization as determined by the Secretary of Defense and force structure change or force relocation, shall be deemed to meet the eligibility requirements under subparagraph (B) for the period during which the housing units are undergoing such conversion or during such time as activities associated with base closure and realignment, modularization, force structure change, or force relocation are ongoing.

(ii) AMOUNT OF PAYMENT.—The amount of a payment to a heavily impacted local educational agency for a fiscal year by reason of the application of clause (i), and calculated in accordance with subparagraph (C) or (D), as the case may be, shall be based on the number of children in average daily attendance in the schools of such agency for the fiscal year and under the same provisions of subparagraph (C) or (D) under which the agency was paid during the prior fiscal year.

(iii) CONVERSION OF MILITARY HOUSING UNITS TO PRIVATE HOUSING DESCRIBED.—For purposes of clause (i), “conversion of military housing units to private housing” means the conversion of military housing units to private housing units pursuant to subchapter IV of chapter 169 of title 10, United States Code, or pursuant to any other related provision of law.

(3) PAYMENTS WITH RESPECT TO FISCAL YEARS IN WHICH INSUFFICIENT FUNDS ARE APPROPRIATED.—

(A) IN GENERAL.—For any fiscal year in which the sums appropriated under section 7014(b) are insufficient to pay to each local educational agency the full amount computed under paragraphs (1) and (2), the Secretary shall make payments in accordance with this paragraph.

(B) LEARNING OPPORTUNITY THRESHOLD PAYMENTS IN LIEU OF PAYMENTS UNDER PARAGRAPH (1).—(i) For fiscal years described in subparagraph (A), the Secretary shall compute a learning opportunity threshold payment (hereafter in this title referred to as the “threshold payment”) in lieu of basic support payments under paragraph (1) by multiplying the amount obtained under paragraph (1)(C) by the total percentage obtained by adding—

(I) the percentage of federally connected children for each local educational agency determined by calculating the fraction, the numerator of which is the total number of children described under subsection (a)(1) and the denominator of which is the total number of children in average daily attendance at the schools served by such agency; and

(II) the percentage that funds under paragraph (1)(C) represent of the total budget of the local educational agency, determined by calculating the fraction, the numerator of which is the total amount of funds calculated for each local educational agency under this paragraph, and the denominator of which is the total current expenditures for such agency in the second preceding fiscal year for which the determination is made.

(ii) Such total percentage used to calculate threshold payments under paragraph (1) shall not exceed 100.

(iii) In the case of a local educational agency providing a free public education to students enrolled in kindergarten through grade 12, that enrolls students described in subparagraphs (A), (B), and (D) of subsection (a)(1) only in

grades 9 through 12, and that received a final payment for fiscal year 2009 calculated under section 7003(b)(3) (as such section was in effect on the day before the date of enactment of the Every Student Succeeds Act) for students in grades 9 through 12, the Secretary shall, in calculating the agency's payment, consider only that portion of such agency's total enrollment of students in grades 9 through 12 when calculating the percentage under clause (i)(I) and only that portion of the total current expenditures attributed to the operation of grades 9 through 12 in such agency when calculating the percentage under clause (i)(II).

(iv) In the case of a local educational agency that has a total student enrollment of fewer than 1,000 students and that has a per-pupil expenditure that is less than the average per-pupil expenditure of the State in which the agency is located or less than the average per-pupil expenditure of all the States, the total percentage used to calculate threshold payments under clause (i) shall not be less than 40 percent.

(C) LEARNING OPPORTUNITY THRESHOLD PAYMENTS IN LIEU OF PAYMENTS UNDER PARAGRAPH (2).—For fiscal years described in subparagraph (A), the learning opportunity threshold payment in lieu of basic support payments under paragraph (2) shall be equal to the amount obtained under subparagraph (C) or (D) of paragraph (2), as the case may be.

(D) RATABLE DISTRIBUTION.—For fiscal years described in subparagraph (A), for which the sums available exceed the amount required to pay each local educational agency 100 percent of its threshold payment, the Secretary shall distribute the excess sums to each eligible local educational agency that has not received its full amount computed under paragraphs (1) or (2) (as the case may be) by multiplying—

(i) a percentage, the denominator of which is the difference between the full amount computed under paragraph (1) or (2) (as the case may be) for all local educational agencies and the amount of the threshold payment (as calculated under subparagraphs (B) and (C)) of all local educational agencies, and the numerator of which is the aggregate of the excess sums, by

(ii) the difference between the full amount computed under paragraph (1) or (2) (as the case may be) for the agency and the amount of the threshold payment (as calculated under subparagraphs (B) or (C)) of the agency, except that no local educational agency shall receive more than 100 percent of the maximum payment calculated under subparagraph (C) or (D) of paragraph (2).

(E) INSUFFICIENT PAYMENTS.—For each fiscal year described in subparagraph (A) for which the sums appropriated are insufficient to pay each local educational agency all of the local educational agency's threshold payment described in subparagraph (B), the Secretary shall ratably

reduce the payment to each local educational agency under this paragraph.

(F) INCREASES.—

(i) INCREASES BASED ON INSUFFICIENT FUNDS.—If additional funds become available under 7014(b) for making payments under paragraphs (1) and (2) and those funds are not sufficient to increase each local educational agency's threshold payment above 100 percent of its threshold payment described in subparagraph (B), payments that were reduced under subparagraph (E) shall be increased by the Secretary on the same basis as such payments were reduced.

(ii) INCREASES BASED ON SUFFICIENT FUNDS.—If additional funds become available under section 7014(b) for making payments under paragraphs (1) and (2) and those funds are sufficient to increase each local educational agency's threshold payment above 100 percent of its threshold payment described in subparagraph (B), the payment for each local educational agency shall be 100 percent of its threshold payment. The Secretary shall then distribute the excess sums to each eligible local educational agency in accordance with subparagraph (D).

(G) PROVISION OF TAX RATE AND RESULTING PERCENTAGE.—As soon as practicable following the payment of funds under paragraph (2) to an eligible local educational agency, the Secretary shall provide the local educational agency with a description of—

(i) the tax rate of the local educational agency; and

(ii) the percentage such tax rate represents of the average tax rate for general fund purposes of comparable local educational agencies in the State as determined under subclauses (II)(cc), III(aa), or (V)(bb) of paragraph (2)(B)(i) (as the case may be).

(4) STATES WITH ONLY ONE LOCAL EDUCATIONAL AGENCY.—

(A) IN GENERAL.—In any of the 50 States of the United States in which there is only one local educational agency, the Secretary shall, for purposes of subparagraphs (B) and (C) of paragraph (1) or subparagraphs (B) and (C) of paragraph (2), as the case may be, paragraph (3) of this subsection, and subsection (e), consider each administrative school district in the State to be a separate local educational agency.

(B) COMPUTATION OF MAXIMUM AMOUNT OF BASIC SUPPORT PAYMENT AND THRESHOLD PAYMENT.—In computing the maximum payment amount under paragraph (1)(C) or subparagraph (C) or (D) of paragraph (2), as the case may be, and the learning opportunity threshold payment under subparagraph (B) or (C) of paragraph (3), as the case may be, for an administrative school district described in subparagraph (A)—

(i) the Secretary shall first determine the maximum payment amount and the total current expenditures for the State as a whole; and

(ii) the Secretary shall then—

(I) proportionately allocate such maximum payment amount among the administrative school districts on the basis of the respective weighted student units of such districts; and

(II) proportionately allocate such total current expenditures among the administrative school districts on the basis of the respective number of students in average daily attendance at such districts.

(5) LOCAL EDUCATIONAL AGENCIES AFFECTED BY REMOVAL OF FEDERAL PROPERTY.—

(A) IN GENERAL.—In computing the amount of a basic support payment under this subsection for a fiscal year for a local educational agency described in subparagraph (B), the Secretary shall meet the additional requirements described in subparagraph (C).

(B) LOCAL EDUCATIONAL AGENCY DESCRIBED.—A local educational agency described in this subparagraph is a local educational agency with respect to which Federal property (i) located within the boundaries of the agency, and (ii) on which one or more children reside who are receiving a free public education at a school of the agency, is transferred by the Federal Government to another entity in any fiscal year beginning on or after the date of the enactment of the Impact Aid Reauthorization Act of 2000 so that the property is subject to taxation by the State or a political subdivision of the State.

(C) ADDITIONAL REQUIREMENTS.—The additional requirements described in this subparagraph are the following:

(i) For each fiscal year beginning after the date on which the Federal property is transferred, a child described in subparagraph (B) who continues to reside on such property and who continues to receive a free public education at a school of the agency shall be deemed to be a child who resides on Federal property for purposes of computing under the applicable subparagraph of subsection (a)(1) the amount that the agency is eligible to receive under this subsection.

(ii)(I) For the third fiscal year beginning after the date on which the Federal property is transferred, and for each fiscal year thereafter, the Secretary shall, after computing the amount that the agency is otherwise eligible to receive under this subsection for the fiscal year involved, deduct from such amount an amount equal to the revenue received by the agency for the immediately preceding fiscal year as a result of the taxable status of the former Federal property.

(II) For purposes of determining the amount of revenue to be deducted in accordance with subclause (I), the local educational agency—

(aa) shall provide for a review and certification of such amount by an appropriate local tax authority; and

(bb) shall submit to the Secretary a report containing the amount certified under item (aa).

(c) PRIOR YEAR DATA.—

(1) IN GENERAL.—Except as provided in subsections (b)(1)(D), (b)(2), and paragraph (2), all calculations under this section shall be based on data for each local educational agency from not later than the fiscal year preceding the fiscal year for which the agency is making application for payment.

(2) EXCEPTION.—Calculation of payments for a local educational agency shall be based on data from the fiscal year for which the agency is making an application for payment if such agency—

(A) is newly established by a State, for the first year of operation of such agency only;

(B) was eligible to receive a payment under this section for the previous fiscal year and has had an overall increase in enrollment (as determined by the Secretary in consultation with the Secretary of Defense, the Secretary of the Interior, or the heads of other Federal agencies)—

(i)(I) of not less than 10 percent of children described in—

(aa) subparagraph (A), (B), (C), or (D) of subsection (a)(1); or

(bb) subparagraphs (F) and (G) of subsection (a)(1), but only to the extent that such children are civilian dependents of employees of the Department of Defense or the Department of the Interior; or

(II) of not less than 100 of such children; and

(ii) that is the direct result of closure or realignment of military installations under the base closure process or the relocation of members of the Armed Forces and civilian employees of the Department of Defense as part of the force structure changes or movements of units or personnel between military installations or because of actions initiated by the Secretary of the Interior or the head of another Federal agency; or

(C) was eligible to receive a payment under this section for the previous fiscal year and has had an increase in enrollment (as determined by the Secretary)—

(i) of not less than 10 percent of children described in subsection (a)(1) or not less than 100 of such children; and

(ii) that is the direct result of the closure of a local educational agency that received a payment under subsection (b)(1) or (b)(2) for the previous fiscal year.

(d) CHILDREN WITH DISABILITIES.—

(1) IN GENERAL.—From the amount appropriated under section 7014(c) for a fiscal year, the Secretary shall pay to each eligible local educational agency, on a pro rata basis, the amounts determined by—

(A) multiplying the number of children described in subparagraphs (A)(ii), (B) and (C) of subsection (a)(1) who are eligible to receive services under the Individuals with Disabilities Education Act (20 U.S.C. 1400 et seq.) by a factor of 1.0; and

(B) multiplying the number of children described in subparagraph (D) of subsection (a)(1) who are eligible to receive services under such Act by a factor of 0.5.

(2) USE OF FUNDS.—A local educational agency that receives funds under paragraph (1) shall use such funds to provide a free appropriate public education to children described in paragraph (1) in accordance with the Individuals with Disabilities Education Act (20 U.S.C. 1400 et seq.).

(e) HOLD HARMLESS.—

(1) IN GENERAL.—In the case of any local educational agency eligible to receive a payment under subsection (b) whose calculated payment amount for a fiscal year is reduced by 20 percent, as compared to the amount received for the previous fiscal year, the Secretary shall pay the local educational agency, for the year of the reduction and the following 2 years, the amount determined under paragraph (2).

(2) AMOUNT OF REDUCTION.—Subject to paragraph (3), A local educational agency described in paragraph (1) shall receive—

(A) for the first year for which the reduced payment is determined, an amount that is not less than 90 percent of the total amount that the local educational agency received under subsection (b) for the previous fiscal year;

(B) for the second year following such reduction, an amount that is not less than 85 percent of the total amount that the local educational agency received under subparagraph (A); and

(C) for the third year following such reduction, an amount that is not less than 80 percent of the total amount that the local educational agency received under subparagraph (B).

(3) SPECIAL RULE.—For any fiscal year for which a local educational agency would receive a payment under subsection (b) in excess of the amount determined under paragraph (2), the payment received by the local educational agency for such fiscal year shall be calculated under paragraph (1) or (2) of subsection (b).

(4) RATABLE REDUCTIONS.—

(A) IN GENERAL.—If the sums made available under this title for any fiscal year are insufficient to pay the full amounts that all local educational agencies in all States are eligible to receive under paragraph (1) for such year, then the Secretary shall ratably reduce the payments to all such agencies for such year.

(B) **ADDITIONAL FUNDS.**—If additional funds become available for making payments under paragraph (1) for such fiscal year, payments that were reduced under subparagraph (A) shall be increased on the same basis as such payments were reduced.

(f) **OTHER FUNDS.**—Notwithstanding any other provision of law, a local educational agency receiving funds under this section may also receive funds under section 386 of the National Defense Authorization Act for Fiscal Year 1993 or such section's successor authority.

**SEC. 7004. [20 U.S.C. 7704] POLICIES AND PROCEDURES RELATING TO CHILDREN RESIDING ON INDIAN LANDS.**

(a) **IN GENERAL.**—A local educational agency that claims children residing on Indian lands for the purpose of receiving funds under section 7003 shall establish policies and procedures to ensure that—

(1) such children participate in programs and activities supported by such funds on an equal basis with all other children;

(2) parents of such children and Indian tribes are afforded an opportunity to present their views on such programs and activities, including an opportunity to make recommendations on the needs of those children and how the local educational agency may help such children realize the benefits of such programs and activities;

(3) parents and Indian tribes are consulted and involved in planning and developing such programs and activities;

(4) relevant applications, evaluations, and program plans are disseminated to the parents and Indian tribes; and

(5) parents and Indian tribes are afforded an opportunity to present their views to such agency regarding such agency's general educational program.

(b) **RECORDS.**—A local educational agency that claims children residing on Indian lands for the purpose of receiving funds under section 7003 shall maintain records demonstrating such agency's compliance with the requirements contained in subsection (a).

(c) **WAIVER.**—A local educational agency that claims children residing on Indian lands for the purpose of receiving funds under section 7003 shall not be required to comply with the requirements of subsections (a) and (b) for any fiscal year with respect to any Indian tribe from which such agency has received a written statement that the agency need not comply with those subsections because the tribe is satisfied with the provision of educational services by such agency to such children.

(d) **TECHNICAL ASSISTANCE AND ENFORCEMENT.**—The Secretary shall—

(1) provide technical assistance to local educational agencies, parents, and Indian tribes to enable such agencies, parents, and tribes to carry out this section; and

(2) enforce this section through such actions, which may include the withholding of funds, as the Secretary determines to be appropriate, after affording the affected local educational agency, parents, and Indian tribe an opportunity to present their views.

## (e) COMPLAINTS.—

(1) IN GENERAL.—(A) Any tribe, or its designee, which has students in attendance at a local educational agency may, in its discretion and without regard to the requirements of any other provision of law, file a written complaint with the Secretary regarding any action of a local educational agency taken pursuant to, or relevant to, the requirements of this section.

(B) Within ten working days from receipt of a complaint, the Secretary shall—

(i) designate a time and place for a hearing into the matters relating to the complaint at a location in close proximity to the local educational agency involved, or if the Secretary determines there is good cause, at some other location convenient to both the tribe, or its designee, and the local educational agency;

(ii) designate a hearing examiner to conduct the hearing; and

(iii) notify the affected tribe or tribes and the local educational agency involved of the time, place, and nature of the hearing and send copies of the complaint to the local educational agency and the affected tribe or tribes.

(2) HEARING.—The hearing shall be held within 30 days of the designation of a hearing examiner and shall be open to the public. A record of the proceedings shall be established and maintained.

(3) EVIDENCE; RECOMMENDATIONS; COST.—The complaining tribe, or its designee, and the local educational agency shall be entitled to present evidence on matters relevant to the complaint and to make recommendations concerning the appropriate remedial actions. Each party to the hearing shall bear only its own costs in the proceedings.

(4) FINDINGS AND RECOMMENDATIONS.—Within 30 days of the completion of the hearing, the hearing examiner shall, on the basis of the record, make written findings of fact and recommendations concerning appropriate remedial action, if any, which should be taken. (5) WRITTEN DETERMINATION.—Within 30 days of the Secretary's receipt of the findings, recommendations, and record, the Secretary shall, on the basis of the record, make a written determination of the appropriate remedial action, if any, to be taken by the local educational agency, the schedule for completion of the remedial action, and the reasons for the Secretary's decision.

(6) COPIES PROVIDED.—Upon completion of the Secretary's final determination, the Secretary shall provide the complaining tribe, or its designee, and the local educational agency with copies of the hearing record, the hearing examiner's findings and recommendations, and the Secretary's final determination. The final determination of the Secretary shall be subject to judicial review.

(7) CONSOLIDATION.—In all actions under this subsection, the Secretary shall have discretion to consolidate complaints involving the same tribe or local educational agency.

(8) WITHHOLDING.—If the local educational agency rejects the determination of the Secretary, or if the remedy required is not undertaken within the time established and the Secretary determines that an extension of the time established will not effectively encourage the remedy required, the Secretary shall withhold payment of all moneys to which such local agency is eligible under section 7003 until such time as the remedy required is undertaken, except where the complaining tribe or its designee formally requests that such funds be released to the local educational agency, except that the Secretary may not withhold such moneys during the course of the school year if the Secretary determines that such withholding would substantially disrupt the educational programs of the local educational agency.

(9) REJECTION OF DETERMINATION.—If the local educational agency rejects the determination of the Secretary and a tribe exercises the option under section 1101(d) of the Education Amendments of 1978, to have education services provided either directly by the Bureau of Indian Education or by contract with the Bureau of Indian Education, any Indian students affiliated with that tribe who wish to remain in attendance at the local educational agency against whom the complaint which led to the tribal action under such subsection (d) was lodged may be counted with respect to that local educational agency for the purpose of receiving funds under section 7003. In such event, funds under such section shall not be withheld pursuant to paragraph (8) and no further complaints with respect to such students may be filed under paragraph (1).

(f) CONSTRUCTION.—This section is based upon the special relationship between the Indian nations and the United States and nothing in this section shall be construed to relieve any State of any duty with respect to any citizens of that State.

(III) the acquisition of real property.

(iii) SUPPLEMENT, NOT SUPPLANT.—A local educational agency shall use funds provided under an emergency grant or modernization grant awarded under this subsection only to supplement the amount of funds that would, in the absence of the Federal funds provided under the grant, be made available from non-Federal sources to carry out emergency repairs of school facilities or to carry out the modernization of school facilities, as the case may be, and not to supplant such funds.

(iv) MAINTENANCE COSTS.—Nothing in this subsection shall be construed to authorize the payment of maintenance costs in connection with any school facility modernized in whole or in part with Federal funds provided under this subsection.

(v) ENVIRONMENTAL SAFEGUARDS.—All projects carried out with Federal funds provided under this subsection shall comply with all relevant Federal, State, and local environmental laws and regulations.

(vi) CARRY-OVER OF CERTAIN APPLICATIONS.—A local educational agency that applies for an emergency grant or a modernization grant under this subsection for a fiscal year and does not receive the grant for the

fiscal year shall have the application for the grant considered for the following fiscal year, subject to the priority requirements of paragraph (2) and the award criteria requirements of paragraph (4).

(B) EMERGENCY GRANTS; PROHIBITION ON USE OF FUNDS.—A local educational agency that is awarded an emergency grant under this subsection may not use amounts under the grant for the complete or partial replacement of an existing school facility unless such replacement is less expensive or more cost-effective than correcting the identified emergency.

(A) A description of how the local educational agency meets the award criteria under paragraph (4), including the information described in clauses (i) through (iv) of paragraph (4)(A) and subparagraphs (B) and (C) of paragraph (4), and containing such additional information as may be necessary to meet any award criteria for a grant under this subsection as provided by any other Act.

**SEC. 7008. [20 U.S.C. 7708] FACILITIES.**

(a) **CURRENT FACILITIES.**—From the amount appropriated for any fiscal year under section 7014(e), the Secretary may continue to provide assistance for school facilities that were supported by the Secretary under section 10 of the Act of September 23, 1950 (Public Law 815, 81st Congress) (as such Act was in effect on the day preceding the date of the enactment of the Improving America's Schools Act of 1994).

**(b) TRANSFER OF FACILITIES.**—

(1) **IN GENERAL.**—The Secretary shall, as soon as practicable, transfer to the appropriate local educational agency or another appropriate entity all the right, title, and interest of the United States in and to each facility provided under section 10 of the Act of September 23, 1950 (Public Law 815, 81st Congress), or under section 204 or 310 of the Act of September 30, 1950 (Public Law 874, 81st Congress) (as such Acts were in effect on January 1, 1958).

(2) **OTHER REQUIREMENTS.**—Any such transfer shall be without charge to such agency or entity, and prior to such transfer, the transfer shall be consented to by the local educational agency or other appropriate entity, and may be made on such terms and conditions as the Secretary deems appropriate to carry out the purposes of this title.

**SEC. 7009. [20 U.S.C. 7709] STATE CONSIDERATION OF PAYMENTS IN PROVIDING STATE AID.**

(a) **GENERAL PROHIBITION.**—Except as provided in subsection

(b), a State may not—

(1) consider payments under this title in determining for any fiscal year—

(A) the eligibility of a local educational agency for State aid for free public education; or

(B) the amount of such aid; or

(2) make such aid available to local educational agencies in a manner that results in less State aid to any local educational agency that is eligible for such payment than such agency would receive if such agency were not so eligible.

**(b) STATE EQUALIZATION PLANS.**—

(1) **IN GENERAL.**—A State may reduce State aid to a local educational agency that receives a payment under section 7002 or 7003(b) (except the amount calculated in excess of 1.0 under section 7003(a)(2)(B) and, with respect to a local educational agency that receives a payment under section 7003(b)(2), the amount in excess of the amount that the agency would receive if the agency were deemed to be an agency eligible to receive a payment under section 7003(b)(1) and not section 7003(b)(2)) for any fiscal year if the Secretary determines, and certifies under subsection (c)(3)(A), that the State has in effect a program of State aid that equalizes expenditures for free public education among local educational agencies in the State.

**(2) COMPUTATION.**—

(A) **IN GENERAL.**—For purposes of paragraph (1), a program of State aid equalizes expenditures among local educational agencies if, in the second fiscal year preceding the fiscal year for which the determination is made, the

amount of per-pupil expenditures made by, or per-pupil revenues available to, the local educational agency in the State with the highest such per-pupil expenditures or revenues did not exceed the amount of such per-pupil expenditures made by, or per-pupil revenues available to, the local educational agency in the State with the lowest such expenditures or revenues by more than 25 percent.

(B) OTHER FACTORS.—In making a determination under this subsection, the Secretary shall—

(i) disregard local educational agencies with per-pupil expenditures or revenues above the 95th percentile or below the 5th percentile of such expenditures or revenues in the State; and

(ii) take into account the extent to which a program of State aid reflects the additional cost of providing free public education in particular types of local educational agencies, such as those that are geographically isolated, or to particular types of students, such as children with disabilities.

(3) EXCEPTION.—Notwithstanding paragraph (2), if the Secretary determines that the State has substantially revised its program of State aid, the Secretary may certify such program for any fiscal year only if—

(A) the Secretary determines, on the basis of projected data, that the State's program will meet the disparity standard described in paragraph (2) for the fiscal year for which the determination is made; and

(B) the State provides an assurance to the Secretary that, if final data do not demonstrate that the State's program met such standard for the fiscal year for which the determination is made, the State will pay to each affected local educational agency the amount by which the State reduced State aid to the local educational agency.

(c) PROCEDURES FOR REVIEW OF STATE EQUALIZATION PLANS.—

(1) WRITTEN NOTICE.—

(A) IN GENERAL.—Any State that wishes to consider payments described in subsection (b)(1) in providing State aid to local educational agencies shall submit to the Secretary, not later than 120 days before the beginning of the State's fiscal year, a written notice of such State's intention to do so.

(B) CONTENTS.—Such notice shall be in the form that the Secretary requires, including evidence that the State has notified each local educational agency in the State of such State's intention to consider such payments in providing State aid.

(2) OPPORTUNITY TO PRESENT VIEWS.—Before making a determination under subsection (b), the Secretary shall afford the State, and local educational agencies in the State, an opportunity to present their views.

(3) QUALIFICATION PROCEDURES.—If the Secretary determines that a program of State aid qualifies under subsection (b), the Secretary shall—

(A) certify the program and so notify the State; and

(B) afford an opportunity for a hearing, in accordance with section 7011(a), to any local educational agency adversely affected by such certification.

(4) NON-QUALIFICATION PROCEDURES.—If the Secretary determines that a program of State aid does not qualify under subsection (b), the Secretary shall—

(A) so notify the State; and

(B) afford an opportunity for a hearing, in accordance with section 7011(a), to the State, and to any local educational agency adversely affected by such determination.

(d) TREATMENT OF STATE AID.—

(1) IN GENERAL.—If a State has in effect a program of State aid for free public education for any fiscal year, which is designed to equalize expenditures for free public education among the local educational agencies of that State, payments under this title for any fiscal year may be taken into consideration by such State in determining the relative—

(A) financial resources available to local educational agencies in that State; and

(B) financial need of such agencies for the provision of free public education for children served by such agency, except that a State may consider as local resources funds received under this title only in proportion to the share that local tax revenues covered under a State equalization program are of total local tax revenues.

(2) PROHIBITION.—A State may not take into consideration payments under this title before such State's program of State aid has been certified by the Secretary under subsection (c)(3).

(e) REMEDIES FOR STATE VIOLATIONS.—

(1) IN GENERAL.—The Secretary or any aggrieved local educational agency may, not earlier than 150 days after an adverse determination by the Secretary against a State for violation of subsections (a) or (d)(2) or for failure to carry out an assurance under subsection (b)(3)(B), and if an administrative proceeding has not been concluded within such time, bring an action in a United States district court against such State for such violations or failure.

(2) IMMUNITY.—A State shall not be immune under the 11th amendment to the Constitution of the United States from an action described in paragraph (1).

(3) RELIEF.—The court shall grant such relief as the court determines is appropriate.

**SEC. 7010. [20 U.S.C. 7710] FEDERAL ADMINISTRATION.**

(a) PAYMENTS IN WHOLE DOLLAR AMOUNTS.—The Secretary shall round any payments under this title to the nearest whole dollar amount.

(b) OTHER AGENCIES.—Each Federal agency administering Federal property on which children reside, and each agency principally responsible for an activity that may occasion assistance under this title, shall, to the maximum extent practicable, comply with requests of the Secretary for information the Secretary may require to carry out this title.

(c) SPECIAL RULES.—

(1) CERTAIN CHILDREN ELIGIBLE UNDER SUBPARAGRAPHS (A) AND (G)(ii) OF SECTION 7003(a)(1).—(A) The Secretary shall treat as eligible under subparagraph (A) of section 7003(a)(1) any child who would be eligible under such subparagraph except that the Federal property on which the child resides or on which the child's parent is employed is not in the same State in which the child attends school, if such child meets the requirements of paragraph (2).

(B) The Secretary shall treat as eligible under subparagraph (G) of section 7003(a)(1) any child who would be eligible under such subparagraph except that such child does not meet the requirements of clause (ii) of such subparagraph, if such child meets the requirements of paragraph (2).

(2) REQUIREMENTS.—A child meets the requirements of this paragraph if—

(A) such child resides—

(i) in a State adjacent to the State in which the local educational agency serving the school such child attends is located; or

(ii) with a parent employed on Federal property in a State adjacent to the State in which such agency is located;

(B) the schools of such agency are within a more reasonable commuting distance of such child's home than the schools of the local educational agency that serves the school attendance area where such child resides;

(C) attending the schools of the local educational agency that serves the school attendance area where such child resides will impose a substantial hardship on such child;

(D) the State in which such child attends school provides funds for the education of such child on the same basis as all other public school children in the State, unless otherwise permitted under section 7009(b) of this title; and

(E) such agency received a payment for fiscal year 1999 under section 7003(b) on behalf of children described in paragraph (1).

(d) TIMELY PAYMENTS.—

(1) IN GENERAL.—Subject to paragraph (2), the Secretary shall pay a local educational agency the full amount that the agency is eligible to receive under this title for a fiscal year not later than September 30 of the second fiscal year following the fiscal year for which such amount has been appropriated if, not later than 1 calendar year following the fiscal year in which such amount has been appropriated, such local educational agency submits to the Secretary all the data and information necessary for the Secretary to pay the full amount that the agency is eligible to receive under this title for such fiscal year.

(2) PAYMENTS WITH RESPECT OF FISCAL YEARS IN WHICH INSUFFICIENT FUNDS ARE APPROPRIATED.—For a fiscal year in which the amount appropriated under section 7014 is insufficient to pay the full amount a local educational agency is eligible to receive under this title, paragraph (1) shall be applied

by substituting “is available to pay the agency” for “the agency is eligible to receive” each place the term appears.

**SEC. 7011. [20 U.S.C. 7711] ADMINISTRATIVE HEARINGS AND JUDICIAL REVIEW.**

(a) **ADMINISTRATIVE HEARINGS.**—A local educational agency and a State that is adversely affected by any action of the Secretary under this title shall be entitled to a hearing on such action in the same manner as if such agency were a person under chapter 5 of title 5, United States Code if the local educational agency or State, as the case may be, submits to the Secretary a request for the hearing not later than 60 days after the date of the action of the Secretary under this title.
